Left to right are Ralph Elliott, president of the board of fire and police commissioners, and Mayor Donald Partney. The mayor was prepared to debate with his April 3 rival, Alderman Paul Schuler.

TALK BY CANDIDATE at noon Saturday in the Granite City High School gymnasium. Alderman Paul Schuler, running for mayor, is shown speaking. In the background, seventh from right is Attorney Leo Konzen, moderator, who introduced Schuler and was prepared to introduce Mayor Partney in the event that the

latter participated. Alderman Schuler favored debating before an audience, while Mayor Partney hoped there would be an exchange of views by radio from the Chamber building. However, there was no broadcast of either candidate's views.

Alderman Is Innocent, Judge Rules at Trial

By HARRY BARNES Press-Record Staff Writer Paul Schuler, an alderman of Granite City's Sixth Ward and a candidate for mayor in the April 3 city election, was acquitted Friday evening of a charge of misconduct in office, filed by Mayor Donald Partney. A not-guilty verdict was announced at 6:05 p.m. Friday by Associate Judge Victor Mosele following a four-hour trial in the circuit court room at the City Hall in Granite City. In acquitting Schuler of the charge filed March 12 by the incumbent mayor, Schuler's opponent in the bid for election as mayor, Judge Mosele said: "This is a criminal case. Customarily in such a case we would have a jury. One of the first instructions I would give the jury is that the evidence in the case must prove the defendant guilty beyond all reasonable doubt. "I feel that the state has failed to prove Paul Schuler guilty beyond all reasonable doubt and therefore I will enter an order of not guilty." The verdict brought rousing cheers from a capacity courtroom audience. Most of the spectators were Schuler supporters who had sat through the hearing from the time it convened at 2 p.m. The complaint against Schuler alleged that he became involved in a conflict of interest by voting as a town board member for bills for medicines purchased by the township from the Vaughn Pharmacy, 1538 Delmar Ave., in which Schuler was a partner with Donald Vaughn at the time Schuler was elected as an alderman in April 1969.

Schuler denied the charge, maintaining that he dissolved the partnership with Vaughn in June 1969, a month after taking office as alderman of the Sixth Ward. In the co-extensive city-township, aldermen serve also as town board members. The charge first was filed under statutes that made the alleged offense a felony, attorneys said, but later was docketed for trial as a misdemeanor on the suggestion of State's Attorney Nicholas Byron during a brief court session with Judge Mosele March 21. At that time, Judge Mosele appointed Leon Scroggins, city attorney of Granite City, as special prosecutor, and set the trial for 2 p.m. Friday. More than a dozen exhibits—consisting primarily of documents intended to establish dates during which Schuler was or was not a partner in the Vaughn Pharmacy—were submitted throughout the hearing by Scroggins, as prosecuting attorney, and Lance Callis, a Granite City attorney, who defended Schuler. The first witness called by the prosecution, Charles Thompson, Springfield, a representative of the Illinois Department of Registration and Certification, was subpoenaed to produce records of the registration of Vaughn Pharmacy. Under questioning by Scroggins, Thompson identified a registration form filed Sept. 14, 1961, establishing a partnership between Schuler and Donald E. Vaughn in the pharmacy operation. Scroggins asked Thompson if any further documents had been filed in connection with the partnership and Thompson replied that there was. Scroggins asked him to identify the document. Thompson said a notice of dissolution of partnership was filed on Jan. 15, 1972. On cross-examination by Callis, Thompson admitted the document set out that the partnership was dissolved in June 1970. Callis brought out that the dissolution notice was signed by Frederick P. Schuler (Paul Schuler). Thompson identified for Callis an inspection form dated April 3, 1972, in which Donald E. Vaughn was listed as pharmacist and Vivian E. Vaughn as assistant pharmacist, with no mention of Schuler as part of the pharmacy personnel. On the basis of this testimony Callis made no objection to Scroggins' motion that the exhibits identified by Thompson be admitted in evidence. Scroggins failed to get into evidence immediately a financial report made by Dun & Bradstreet, Inc., of the Midtown Pharmacy operated by Schuler and Vaughn as partners, and Vaughn Pharmacy. Scroggins maintained the report bears Schuler's signature. Jack Lane, Florissant, Mo., district report manager at Dun & Bradstreet, identified the report as one made by one of the firm's investigators under the date of Aug. 13, 1971. Schuler

Mayor Cites Plant-Union Conferences

In comments submitted today to the Press-Record, Mayor Donald Partney termed Friday's acquittal of his April 3 election rival as "incredible" and also asserted that the mayor has done "his damndest to keep industry in town." Mayor Partney asserted, "Unwittingly, labor has confirmed the very thing which I have always stated, that I did my damndest to keep industry in town." "Alderman Schuler said I did nothing. The Labor Council said I did nothing. But in Thursday's issue of the Press-Record concerning a meeting with Corn Sweeteners, the Labor Council stated that 'Mr. Partney was present at this meeting.' "The Labor Council continued, concerning General Steel Industries, "Profits were siphoned off and used to purchase other plants." "Well, the great Labor Council admitted they tried to keep GSI and couldn't, so since they couldn't it was 'the mayor's fault.' "And in the same article where the Tri-Cities Trades and Labor Council said that the mayor and they sat in a meeting together, they say that if 'Alderman Nenn and Mayor Partney met with and had the meetings they refer to with industry, we would appreciate knowing who they met with and why the representatives of the unions were not invited to these peculiar and particular situations as they arose.' "

"At the home of Mayor Partney there were people present on Oct. 30, 1972, to save GSI." A signature list provided by the mayor showed other mayors also were present along with Chamber of Commerce representatives and Carl L. Boner and Joe McDonough of Local 580, Roy Logan of the Pattern-makers and Arthur Griffin of the Laborers. On Oct. 31, a signature list included two mayors, Chamber representatives, W. N. Hemken of Machinists' District Nine, Griffin of the Laborers and Lloyd McBride and George Becker of the United Steelworkers. At a Nov. 3 meeting, signatures included the Chamber group, Alderman Nenn, Richard Lich, president of the Castings Division of GSI, W. Ashley Gray Jr., GSI president, and the other local mayors. "The reason for the meetings being stretched over three days was to allow all union people possible to attend," Mayor Partney said today. "Yet, the Labor Council accuses the mayor of doing nothing to save industry and of not meeting. This is a gross display of ignorance on the part of Schuler and the so-called Labor Council. "On the issue of the Depot, it was widely publicized about all the mayor's efforts, not only to save jobs but to acquire the Depot grounds and buildings for Granite City. "How stupid do these people think our citizens are? Our people can read, and they have good memories. "The people know how hard the mayor fought and the Tri-City Trades Council states how

Hanoi to Free Navy Lt. Beeler

By VALERIE EVENDEN Press-Record Staff Writer Navy Lieutenant Carol R. Beeler, a U. S. Navy pilot and a former Granite City resident, is among the U. S. prisoners of war who may be released Tuesday by the North Vietnamese, local relatives told the Press-Record. Lt. Beeler, a 1961 graduate of Granite City High School, was shot down over Vietnam last May 24. The 28-year-old pilot is the son of Mr. and Mrs. W. L. (Tiny) Beeler, now residents of Irving, Tex. The parents are planning to meet their son in San Diego, Calif., upon his arrival there from Clark Air Force Base in the Philippines, according to Mr. and Mrs. Benjamin M. Stamps of Mitchell, an uncle and aunt of the serviceman. The Beeler family formerly lived in the 2400 block of Benton Street. The Navy officer grew up in Granite City and attended local grade schools. He also was graduated from Parks Air College in Cahokia before joining the Navy nearly 10 years ago. Lt. Beeler was active in the Boy Scout movement here from a young age until adulthood. He attained one of the highest honors in scouting when he received the Order of the Arrow's Vigil Honor in November 1960 at Camp Graham and was bestowed the Indian name—Genteen Sakima (Dancing Chief). He joined Boy Scout Troop 11 at age 11 and transferred to Explorer Post 6, sponsored by Concordia Lutheran Church, in April 1958. From 1958 until 1962, Lt. Beeler was an active member of the Explorer unit, performing with the Post 6 Indian dancers. He also served on the

Communication With Aldermen Is Key-Schuler

Mayor Candidate Paul Schuler pledged Saturday to end a "communication gap" and share information fully with City Council members in order to aid them in setting municipal policy. "We're going to work together. I know all of the aldermen and I'm sure I'll be able to work constructively with them and the new aldermen. "I think we all can work together toward common goals. That's the name of the game—getting along with people. "We certainly won't always agree. But I think we can agree to disagree in a gentlemanly manner," Schuler continued. "What has made it difficult is the mayor's policy of releasing information to the aldermen as he sees fit and at a time he sees fit to do so. "The aldermen are the board directors of our city. They should be kept as well informed as the mayor on problems facing the city." The alderman called for transaction of municipal matters "with a plan in mind, not haphazardly when a problem has reached a crisis. "Eight years is a long enough time for a mayor to get his program across. If he has failed in the eight years, I think it's time for someone else to try. I suggest to you that I'm the person who can perform the job in the way that you wish." Schuler said a chief issue in the current campaign is "loss of 10,000 blue collar jobs in the last 10 years." He outlined his plan for a Community Resources Commission made up of members of business, industry, labor and other groups. "The mayor has to be the leader in this kind of effort, the one who puts it all together," he said. Such a program would seek to make effective use of this area's pool of skilled, semi-

## Students to Flock to State Capitol in Spring

By BOB ESTILL  
Copley News Service

Springfield—April will bring not only showers but also a deluge of youthful visitors to the State Capitol, most of them wanting a glimpse of their lawmakers in action.

Junior and senior high school students on class trips will flock to the Capitol at the rate of 5,000 a day during the last two weeks in April and all of May, according to Mrs. Betty Rice, supervisor of the six capital guides.

The guides last year escorted nearly a quarter of a million visitors through the Capitol in April, May and June of last year. For the entire year, some 450,000 visitors toured the building.

The guides still rub their arches in remembered pain when thinking back to a Friday in May last year when they escorted an all-time high of 9,000 school youngsters through the building in a single day.

All of these visitors have one thing in common. They want to see their own legislators in action on the House or Senate floor, Mrs. Rice said.

Whenever the school groups come in, the tour guides give them legislative seating charts and circle the names of legislators from their own district. Not infrequently, the groups don't know the names of their legislators or the number of their districts.

One of the problems with this heavy volume of visitors is that the touring school kids don't have much time to watch the Legislature in action.

The groups are limited to five minutes in the balconies of each legislative chamber, less time that it takes most legisla-

tors to begin warming up to their subject.

The visitors are never happy about the five-minute limitation, but it is unavoidable, Mrs. Rice said.

They try to keep the groups broken down to 100 to a guide, and only four tours can be taken at one time because of space limitations—two groups touring the governor's office and other executive offices on the second floor while two other groups are in the legislative chambers on the third floor.

Two groups is an absolute maximum for the chambers because of limited seating space in the House and Senate galleries.

While the guides are escorting groups around the building (taking brief time outs to change shoes three to four times a day), Mrs. Rice finds little time for relaxing at her desk.

She spends most of her time standing at the counter, fielding an average of some 500 inquiries a day on tours and who is where in the building.

It's a great job—if you've got great arches.

## Boaters Warned From Grafton Flood Area

Boaters and sighters are being asked to stay away from the Grafton area until flood waters have receded.

Due to recent rains, high water has developed as the Missouri River has begun backing up, and the Grafton area, northwest of Alton at the confluence of the Mississippi and Illinois Rivers, has been inundated.

Patrol craft from the Illinois Department of Conservation presently working the area to guard against possible vandalism.

"We are asking boaters to stay out of the area because they are making additional work for water patrols," said William D. Miller, chief of the Division of Law Enforcement for the Department.

"The wake from boats helps cause erosion and is damaging existing banks and homes in the area. Boaters are responsible for their wakes and the damage they do, and they can be cited for property damage."

## Dedication to Community, Job Is Exemplified in Life of GC Woman

By VALERIE EVENDEN  
Press-Record Staff Writer

Old friends, former co-workers and fellow employees numbering more than 100 gathered last week in the Officers' Club at the Granite City Army Installation to honor Mrs. Pauline Weir at a cocktail buffet on the occasion of her retirement from Federal Civil Service after 31 years.

Mrs. Weir, 3276 Wabash Ave., served as fiscal officer at the local army base prior to her reassignment in 1970 to the U. S. Army Automated Logistics Management Systems Agency (ALMSA), St. Louis, when the mission at the military facility here was terminated.

Earlier the same day, 27 co-workers and Army personnel from ALMSA arranged a luncheon for the retiree at the Downtowner in St. Louis.

She was presented with a gold watch, a scarab bracelet and 31 American Beauty roses. The flowers, a surprise gift from ALMSA's Director for Administration Ralph Arnold, represented her years of service with the Federal Government.

An active leader in civic and charitable endeavors, Mrs. Weir currently is completing her second term as president of the Granite City Business and Professional Women's Club.

Previously, she has served as BPW vice-president, director, auditor and chairman and member of the club's civic participation, personal development, membership, world affairs, finance and budget and legislation committees.

She was the past chairman of the BPW Prayer Breakfast for World Peace in 1968, the first event of its type held in the Quad-Cities. She also was program coordinator for the business women's group and delegate in 1970 to the annual convention in Honolulu, Hawaii, of the National Federation of Business and Professional Women's Clubs.

Mrs. Weir served as general chairman of the 1970 "Tree of Lights" fund-raising drive to finance the Salvation Army's gift giving program at Christmas.

Last week she was re-elected secretary of the Salvation Army Advisory Board of the Quad-Cities. She is a current board member and has served as public relations officer in a previous campaign for funds and as a bellringer each Yuletide season.

Also active with the Madison County Heart Association and a former secretary for that group, Mrs. Weir was general chairman of an information and education seminar sponsored by the association in 1971.

As a participant in the Status of Women Program she acted

as panel chairman for a September 1970 conference at SIUE designed around the theme "Women — Agents of Change."

A volunteer in the U. S. Treasury Department's Savings Bond Program the retiree has received its two highest awards for 27 years of volunteer service.

Mrs. Weir helped to organize and is a charter member of the Granite City Army Installation credit union, served as its first secretary, a director for six years, chairman of the supervisory committee and a member of the finance committee. She also served as program chairman for the installation's Management Club.

From September 1942 until April 1970, she was an employee at the Granite City Army base, where she held the posts of fiscal officer, assistant finance and accounting officer, Depot disbursing officer and supervisory auditor.

For exemplary performance of her duties, Mrs. Weir has received five Outstanding Performance Awards, three Sustained Superior Performance Awards, three Certificates of Achievement and 72 letters of Commendation and Appreciation during her career with the Federal Government.

Three certificates were presented Mrs. Weir upon her retirement by Colonel H. K. Tompkins, ALMSA commanding officer.

In 1968, 1966 and 1963, the retiree was the local military facility's nominee for "Outstanding Employee of the Year Award" in the professional and scientific division conducted among federal agencies in the metropolitan bi-state region.

She also was the Army installation's candidate in 1965 and 1960 for the "Annual Federal Women's Award" in Washington, D. C., presented for outstanding achievement by women in the Federal Career Service.

Mrs. Weir organized the first choral group at the Army base here in 1968, served on all fund raising drives and as chairman of the Post Beautification Board played a large role in landscaping the installation grounds.

Each year she headed the Queen's Committee at the military base and won three awards for "best decorated" float in the metropolitan St. Louis area Veteran's Day parades.

She has worked diligently to the community as a volunteer for the Leukemia Guild, Muscular Dystrophy, March of Dimes and has assisted in "Old Newsboys' Day" United Fund Fair, Charity Days, among other philanthropic causes.

As a charter member of the Third Baptist Church in Granite City, she has held many offices in church organizations and for 10 years was a member of the choir.

She is a graduate of the Granite City High School and Spawna Business College in St. Louis.

To further her education she has taken a number of resident courses in the fields of accounting, automation and auditing at the U. S. Army finance School, Fort Benjamin Harrison, Indianapolis, Ind., and the U. S. Army Management Engineer Training Center at Rock Island, Ill.

Mrs. Weir is married to Brooks Weir, a retired carpenter. They have one daughter, Mrs. Shirley Worster of Granite City, and three grandchildren, Kim, 17, Kevin, 14 and Kelly, 5.

Formal retirement will enable Mr. and Mrs. Weir to travel more extensively than in the past, she said, adding "This is something that Brooks is really looking forward to doing."

They are hoping to make a trip to Europe and also visit various locales in the United States.

"I plan on keeping active in my club work and in civic affairs," Mrs. Weir said. "We do hope to travel more and have more time to enjoy our lovely grandchildren," she commented.

Before her retirement was on one week old, Mrs. Weir already had been approached to resume her career with another federal agency, it was learned.

## Commercial Fishermen To Find Costs Higher

By JOAN MURARO  
Copley News Service

Springfield—Commercial fishermen buying licenses in Illinois this year will find things somewhat different.

Somewhat more expensive, too. Anyone buying a commercial license this year will have to buy a basic license for \$5 before being allowed to buy any licenses for specific commercial fishing devices.

In the past, a basic license was only required for fishermen using hoop nets or basket traps. Now, anyone using seines, dip nets, gill nets, trammel nets or any other commercial device will have to pay \$5 for a basic license before he can buy the others.

Bill Harth, of the fisheries division of the state department of conservation, said the other fees remain the same, and the basic license can be purchased at the same time as the others.

Sport fishing or pole and line licenses will still be sold for \$2, plus a 25 cent issuing fee, for a total of \$2.25, to anyone 16 to 65. Fishermen under 16 don't need a license, and those over 65 may purchase one for 40 cents, plus a 10-cent issuing fee, for a total of 50 cents, Harth said.

In Illinois, commercial fishermen must have a separate license for each piece of equipment they use, that is, a fisherman planning to use 10 hoop nets would have to buy licenses at \$1.50 each, plus a 25 cent issuing fee for each, for a grand total of \$17.50.

The licenses, good for one year, are valid from Jan. 31 to Feb. 1 of the following year. They can be purchased at the county, city, village or township level, and any area adjacent to waters which are commercially fished will have all necessary commercial permits available, Harth said.

Commercial fishing in Illinois generally is gradually but steadily declining, he added, noting that in 1971, the year for which figures are available, there were only 84 full-time commercial fishermen and 176 part-time commercial fishermen buying licenses in the state. A decade earlier, in 1961, there were 185 full-time and 591 part-time commercial fishermen. Both figures exclude Lake Michigan, which, Harth said, has an operation all its own.

Current rates for commercial gear this year for resident fishermen are (including the 25 cent issuing charge in each case), \$1.75 for each hoop net or basket trap; \$1.75 for each dip net; \$3.25 for each 100 feet of gill net in the Mississippi and Illinois River waters, the only place such nets are permitted outside Lake Michigan; and \$3.25 for each 100 feet of trammel net. Gill nets in Lake Michigan are charged \$10.25 for each 2,000 feet of gill net. Seines carry a \$10.25 fee.

Out of state fishermen pay double the license fees on all licenses, but Harth said there are actually few of these issued, since most fishermen using boundary waters tend to stay in their own state's side of the fishing area.

All licenses entitle the bearer to fish only under department regulations and in approved waters in the state. A number of water resources which are widely used for sport fishing are entirely off limits for any commercial fishing, Harth said.

Money received from the license sales go into the state's fish and game fund, which in turn channels the money back into improving fish and game resources in the state.

### Walkathon Set April 8

## 'Lend a Foot' to Aid March of Dimes Drive

A 10-mile walkathon to help raise money to fight birth defects will be staged in the Quad-Cities on Sunday, April 8, under supervision of local leaders of the Madison County March of Dimes.

The walkathon, originating at Wilson Park ice rink and ending through Granite City, Madison and Venice, is open to any individual or group wishing to participate.

Co-chairmen of the project are Mrs. Julia Voloski of Madison, representing the Madison Junior Service Club which spearheads the annual March of Dimes fund-raising drive in that community each year; Milton Morris, Venice March of Dimes area chairman; and Harry Cook, faculty adviser to the Student Council at Granite City High School.

Cook, who is coordinating the walkathon, said today that interested clubs or individuals may contact the co-chairmen for further information, sponsor sheets or literature.

He explained that those participating in the walkathon obtain a "sponsor sheet" and secure as many pledges from friends, neighbors and local business people as possible who agree to pay a specific amount per mile for the number of miles covered by the "walker."

The amount per mile can vary from 10 cents to \$500, Cook pointed out, and the number of sponsors also at varying amounts is not restricted.

For example, he said, a participant who signs a family member to sponsor him at 50 cents per mile and two neighbors who agree to pay 10 cents a mile each will earn a total of 75 cents a mile, or \$7.50 if the entire 10 mile distance is completed.

After the walkathon is over,

## Area Townships Schedule Budget Hearings Tuesday

Public hearings will be held Tuesday night in the town offices of Venice, Nameoki and Chouteau Townships on 1973-74 highway department budgets.

Venice will be the only township in the Quad-City area to conduct a hearing on the 1973-74 town budget since neither Nameoki nor Chouteau Township officials have completed preparation of their town budgets which project expenditures out of the town and general assistance funds.

The Venice hearing on the highway budget will be held at 7 p.m. in the township office, 1502 Fifth St., Madison, followed by the hearing on the town budget at 7:30 p.m.

Chouteau Township officials will conduct their hearing on highway department appropriations at 7:30 p.m. in the township office at 825 Thorngate Drive, and Nameoki officials will conduct a hearing on the highway budget at 7 p.m. in the town offices at 4250 Highway 162.

The hearings will involve highway department budgets aggregating \$244,445. The Venice town budget includes appropriations totaling \$168,332.

Total appropriations of the highway budgets by townships

are: Venice, \$32,245; Nameoki, \$136,400; and Chouteau, \$81,800. Granite City Township has no highway budget. A public hearing on the town budget — totaling \$332,425 — is scheduled at 6 p.m. April 10, followed at 7 p.m. the same day with the annual town meeting.

### BOYS THROW ROCKS

Margaret Wright, 2121 Illinois Ave., reported at 5:20 p.m. Thursday that while she was driving her 1972 truck on Route 3 in front of the Shasta Beverage Co. plant some boys standing along railroad tracks were throwing rocks at traffic, and a rock broke the windshield of her vehicle.

### TO THE THIRD WARD VOTERS:

I MARSHALL BROOKS do not think it fair to the voters to be left with one man running for reelection as our 3rd ward alderman. Therefore I feel he should be challenged for this position. If you will write my name, MARSHALL BROOKS on your ballot as a "WRITE IN" CANDIDATE for your 3rd ward alderman I will serve, your needs to the utmost. Being reared in Granite City and being a self employed cabinet maker and carpenter for 27 years in this area I can see much is needed, in the 3rd ward area to make it a beautiful and safe neighborhood to live in. My name will not appear on your ballot unless you "WRITE IN" MARSHALL BROOKS as your candidate for 3RD WARD ALDERMAN. I want very much to be your "write in" candidate, for 3rd ward alderman. Thank you.

## City Poses Many Uses for Revenue Sharing Funds

A drainage program for the Brainerd area, a new police station, a new fire station and citywide street improvements were proposed by Granite City Council members last week as projects for which the city should spend its federal revenue sharing income.

In an hour-long discussion that ended without commitments on any of the suggestions, Alderman R. E. Robertson of the Fourth Ward said drainage improvements are the city's first priority in the Brainerd area.

Alderman Sam Whitmer of the Second Ward insisted a new police station should be considered as one of the first projects to be financed with revenue sharing funds, and Alderman Walter Nond of the Fifth Ward favored a series of street improvements and a new fire station.

Mayor Donald Partney agreed with Nond as to the need of a new fire station, remarking that "the meanwhile we can do a lot with \$2.5 million."

Alderman Roy Poulos of the Third Ward supported street improvements, commenting that "our streets are in terrible shape."

The Sixth Ward urged the purchase of firefighting equipment. "What's the use of building a new fire station if you don't have anything to put in it," he said.

The discussion brought from First Ward Alderman William Dallas this comment: "Granite City has received \$300,000 in revenue sharing funds from the (federal) government. Now everybody is politicking on it because there is an election coming. 'This kind of thing is disgusting. You are going to build a fire station, a police station, improve all the streets and build drainage lines with \$500,000. 'The things you've been talking about would take a good \$5 million.'"

Whitmer noted, however, that the \$500,000 in revenue sharing funds received by the city so far "is just for 1972. We are scheduled to receive that amount for five years. Whether it will be continued after that, we don't know, but in the meanwhile we can do a lot with \$2.5 million."

Alderman Roy Poulos of the Third Ward supported street improvements, commenting that "our streets are in terrible shape."

**UP, UP AND AWAY!**

This is our advice regarding where you should store your drugs and medicines if you have young children around the house: **Up, up and away!** Up, up, out of reach — and away out of their sight! And, preferably, also under lock and key.

Children, as we all know — but may sometimes forget temporarily — they love to get into things. But, if they should get into your drugs and medicines, the results could be disastrous and tragic. So, always keep in mind the necessity for being exceptionally careful and alert with your medications. Don't leave them around where the youngsters can get at them.

hard they fought to save industry and that Partney was dead.

"So, unwittingly, Schuler's charges and the Trade Council's charges are made disgustingly ridiculous by their own admission that the mayor did work with them while on one hand they say the mayor held no meetings, and on the other hand they dare him to deny that he was with them."

"Using the Labor Council's own terms, isn't it extremely disgusting, nauseating and sickening to read their comments?"

"Note that the names of those in attendance are in their own handwriting."

Mayor Partney also commented today. "The verbiage by Judge Mosley is incredible. 'It is hard to conceive how he could have reached the verdict in the light of the following:'"

"1. Paul Schuler refused the opportunity to deny the charges under oath."

"2. Mr. Schuler failed to keep his promise of producing tax records that could have proved or disproved his innocence."

"3. Donald Vaughn claimed that there were records to show that the partnership was ended but that he failed to bring them to the hearing."

"4. No evidence was admitted that showed that they are not partners in Vaughn's Pharmacy."

"5. An official of the State of Illinois Department of Registration and Education testified that Mr. Schuler did not notify them of the change of ownership until Jan. 15, 1973."

"6. William Storer, a widely-respected handwriting expert, testified that Paul Schuler signed a document confirming his partnership in August 1971."

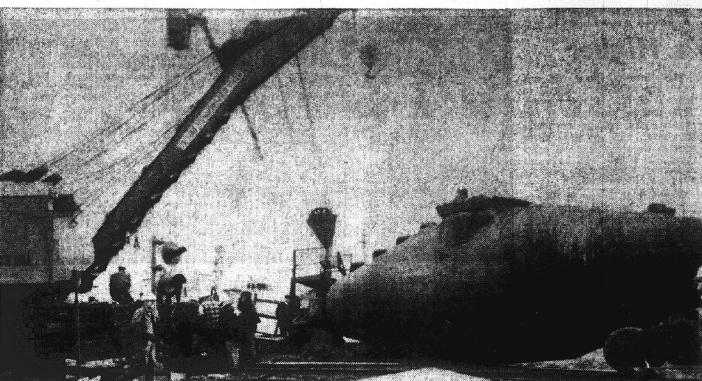

"Judge Mosley stressed the point that a man must be proven guilty beyond any reasonable doubt."

"I feel that any fair-minded citizen can examine the evidence, ask himself why Mr. Schuler voted to approve payments to Vaughn Pharmacy, why Mr. Schuler was afraid to take the stand, and why records of the dissolution of the partnership were not produced — and come to a different conclusion."

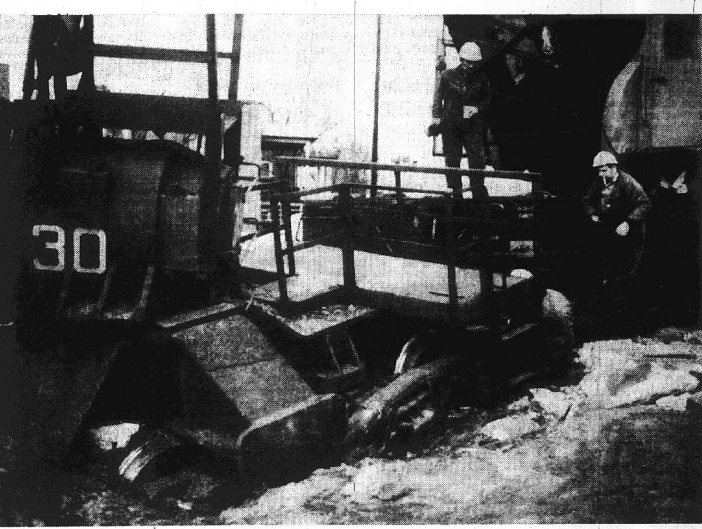

"A judge may have been fooled by politically powerful lawyers, but I am sure the citizens of Granite City will not be."

"Further, I ask the citizens to examine the evidence and to ask themselves if they are willing to trust the mayor's office to him."

"The mayor must have an above reproach, and must not use political office for personal gain."

**WORKERS FACE HEAVY TASK** as Granite City Steel Co. and railroad crewmen replace a 100-ton hot metal car on the tracks after it was derailed and plunged partially into a ditch along Edwardsville Road. The task took Thursday and Friday to complete. Using a heavy crane, workers hoist the end of the car from the ditch (top photo),

while a view of the car trucks in the ditch along the right-of-way is shown in the bottom photo. The accident occurred Thursday as the car was traveling from the Blast Furnace Department to the Basic Oxygen Furnace plant. No one was injured and plant operations were not disrupted.

skilled and unskilled labor, the gathering was told.

Alderman Schuler called for a vigorous annexation policy, with broadening of the tax base to aid taxpayers.

He cited the city's plans to provide sewage treatment for a wide area, and said this is an example of how it may be possible to extend community services toward the north and east.

The candidate said provision of additional housing for senior citizens has been discussed for a number of years and needs to be implemented. The site should be convenient to retail, financial and other services, he commented.

He called for more vigorous steps to utilize available state and federal funds.

One of his first actions as mayor would be to propose arranging for utilization of motor fuel taxes over a specified number of years to carry out street and related drainage improvements, he related. "This is one of the things I'll recommend to the City Council on May 7."

Calling drainage one of the continuing problems which need to be dealt with by the city, Schuler said many issues cry out for the municipality to "pursue solutions in an orderly manner, but with awareness that they have been awaited so long that we're going to have to get going on them."

## Man's Body Found; Had Been Shot Twice

The body of a murder victim was found lying face down in brush behind Slick's Tavern on Eagle Park Road about one mile west of Route 203 at 3 p.m. Saturday by Slick Lassart, owner of the tavern.

The man, about 50 years old, had two bullet wounds in his head. Efforts during the weekend to identify the man were unsuccessful.

Lassart appeared at Madison police station to report he had found the body. He said he first thought it was a mannequin. Madison County Sheriff's deputies and a Madison County deputy coroner were summoned but left when it was determined the body was in St. Clair County.

The body had been at that site only a few hours, authorities believe.

A car that had been reported stolen Tuesday was found in a canal nearby but St. Clair County authorities indicated they do not believe the two findings are related.

## 10 In Race for 2 GC School Board Posts

A field of ten candidates will bid for two school board memberships on the Granite City Board of Education in the April 14 school elections.

The filing period for the school elections expired Friday afternoon, with one additional candidate, Charles L. Rudder, 2332 O'Hara Ave., filing petitions of candidacy in the Granite City school district 9 election.

In Madison District 12, four candidates will seek two school board posts, while in Venice District 3 the two incumbent board members whose terms expire this year are unopposed in their candidacies for re-election.

The two board members whose terms expire in Granite City this year are those of Carl Macios, 78 Cambridge Drive, now board president, and Robert Crier who did not file for re-election.

In addition to Macios and Rudder, candidates seeking the two Granite City posts include Boyd Presley, 1441 St. Clair Ave.; Richard Fry, 2805 Fortune Drive; Norman Hall, 4030 Maryville Road; James C. Hinson, 2616 Adams St.

Cecil Williams, 2429 Kilarney Drive; Elvin Hoekstra, 2444 Cleveland Blvd.; George J. Diak, 3023 Iowa St., and Jack P. Sollenberger, 3267 Westchester Drive.

Candidates who filed nominating petitions during the filing period from Feb. 28 through March 23 will have through to

## 3-Cent Payroll Check Shown by Madison Man

A local man has claimed the "small check" championship of the Quad-Cities. He is Repps Bryant, 1615 Fourth St., Madison, who has preserved and framed—a three-cent Granite City Steel Co. payroll check more than 40 years.

Bryant, who worked for the steel mill from 1923 to 1938, most of the time in the old sheet mills, has an uncashed payroll check dated July 15, 1932, in the amount of "0 dollars and 03 Cts." The check is signed by Hayward Niedringhaus, who was company president and general manager.

The three cents was the amount remaining from Bryant's overtime pay after meal ticket deductions.

## State Providing Tree 'Kits' for Arbor Day

Arbor Day observances and the education of Illinois third graders will receive a helping hand from the state Department of Conservation this year through its second unique "grow block" program.

The department's Division of Forestry is shipping black locust "grow block" kits which will enable some 128,000 youngsters to observe first hand the "birth" of a tree.

The kits are going to more than 2,000 schools whose principals requested inclusion in the program through a questionnaire recently sent statewide by the forestry division.

Each kit contains a package of black locust seeds, planting instructions and an information booklet detailing the uses, function and importance of trees, and 32-inch-square food-supplying fibrous seedbeds or "grow blocks" capable of producing foot-high seedlings in a month's time.

The seedlings will be transplanted at a date of the schools' choice as part of their annual Arbor Day observance. Arbor Day occurs this year on April 25.

## Trauma Seminar at Hospital Tuesday

A seminar on the overall trauma program and emergency room operation at St. Elizabeth Hospital will be held at the hospital all day Tuesday, sponsored by Division 14 of the License Practical Nurse Association of Illinois, it was announced today by hospital officials.

Sessions will begin at 8 a.m. and continue until 4 p.m. Speakers will include Dr. Obery Lay, Dr. Donald Schnellman, Dr. Thomas A. Martin, Dr. Zaki Scheikh, Dr. Avi Heiman, Dr. Amorn Salyapongse, Dr. Alan Morris and Curtis Jackson, the latter from the respiratory therapy department of the hospital, and Miss Glenda Moore, R.N., in the emergency room.

Registration may be made with Mrs. Donna Boyer of the hospital staff at her home, 3437 Lyvia Lane, or by calling her at 876-0928.

## Cougars Win One Of Three Contests

Southern Illinois University at Edwardsville downed Tuskegee (Ala.) Institute 2-1 in its first regular game of the season Sunday after dropping practice games with minor league clubs during the weekend.

The SIUE Cougars dropped a 4-2 game Friday to the Kansas City Royals Omaha farm club and a 5-5 decision Saturday to the Royals' Jacksonville club, both at Sansonetta, Fla.

Ron Kuhlring, who had been an outfielder, hurled a four-hitter for the Cougars in the Tuskegee game. He fanned nine batters.

The Cougars also were held to four hits, including two by outfielder Jim Denny.

Second baseman Tom Twillman collected three of seven Cougar hits in the Friday game with Omaha. On the mound for SIUE were Ken Demaree, Dale Wilderspin and Sam Stewart.

SIUE tagged 10 hits in the Saturday game with Jacksonville, including a two-run homer by Denny in the ninth inning.

When three runs crossed the plate, L. Johnson, Stan Hawkins, Steve Earnhart and Dickey were on the mound for the Cougars; with Roger Belshie working behind the plate.

The Cougars were scheduled to play Providence and Arkansas State, today at Jonesboro, Ark.

The Warriors are due to travel to Breese Motor Del for a game at 4 p.m. Tuesday, weather permitting.

The Madison High School Baseball Trojans will host East St. Louis Lincoln at 4 p.m. Tuesday for their season opener.

## 4 GC Swimmers Place At Illinois YMCA Meet

Four Granite City swimmers, who compete under the Bi-County YMCA colors, received awards in the Illinois YMCA state swimming meet held Saturday and Sunday at the Eisenhower Pool in Springfield.

Placing in the competition were Judy Reisinger (13-14), who took third-place awards in the 200-yard freestyle and 200-yard freestyle relay; Mark Buenger (13-14), who won a second-place trophy in the 100-yard breaststroke and an eighth-place ribbon in the 200-yard medley relay; Janet Becherer (11-12), who earned a eighth-place ribbon in the 200-yard medley relay event.

During the contest, the Buenger youth received two certificates for National YMCA Achievement Records, having set record times in the 50-yard breaststroke event at previous meets.

Other local youths competing at the state meet with the Bi-County team, but not placing, included Scott Buenger, Debbie Griffin and Dave Jolly.

The Griffin girl and Mark Buenger will travel to Fort Lauderdale, Fla., April 24 to compete with nine other Bi-County team members in the YMCA National Meet at the Swimming Hall of Fame Pool.

Coach Jeff Watson said swimmers meeting qualifying times in required local meets are eligible to take part in the national four-day meet.

## GC HS Trackmen 4th At EIU Invitational

The GC HS track team earned fourth place in its division in the Eastern Illinois University Invitational meet in Charleston Saturday.

Alton won the big school competition with 24 points, East St. Louis Lincoln and East St. Louis tied for second with 22 points each and the Warriors had 21 1/2 points.

Howard Bryant of Granite City set two new school records in winning the mile and two-mile events. In the mile he clocked 4 minutes, 23.9 seconds and in the two-mile race he stepped the clock at 9 minutes, 17.2 seconds.

Warrior Bob Kratz earned top honors in the pole vault competition, clearing 13 feet, 6 inches.

Brad Hiles was fourth in the shot put and Greg Becker was fifth in the 60-yard low hurdles. In the one-mile relay, Dale Williams and brothers Tom and Rich Schooley teamed up for a fifth-place finish.

Attending will be umpires, coaches and athletic administrators in the area. John M. Murphy is assigned as inspector. Part of the session will be devoted to the mechanics and procedures of umpiring.

## GC HS Debate Teams Win Sectional; State Next

Two debating teams representing Granite City High School won honors Saturday in the sectional debate tournament at Wood River and will advance to the Illinois High School Debate Speech Association's state-wide debate championship meet at Bloomington High School, set Friday and Saturday.

Capturing a first-place tie, after recording a perfect 10-0 score in five rounds of debate, was a team consisting of Marjane Yevim and Mark Voegel, both GC HS junior students. The score equaled the record set by O'Fallon High School in the sectional contest.

Also qualifying for the state meet were Mike Siebert, a sophomore and Kathy Grisham, a senior, who scored eight wins and two losses.

At an earlier meet for individual debaters, Ralph Reed and Annette Turpin of Granite City High School achieved top honors and will compete in the state tournament.

The local students will be accompanied to Bloomington by Ron Pennell, debate coach at Granite City High School.

## Schuman Asks More Space for Circuit Courts

Chief Justice Fred P. Schuman has demanded that the Madison County Board provide adequate space for the courts by April 1 or he will cancel all jury trials and other court service.

He ordered the board to make emergency appropriations to provide the space if necessary.

Nelson Hagnauer, board chairman, said he will ask for an extension until after the April 18 meeting of the board. He said a special board meeting would cost \$1,160 per diem to 29 members of the board.

Members get \$40 per meeting. Jay Maurer, chairman of the building committee, referred the matter to State's Atty. Nicholas Byron.

The committee asked Byron earlier this month to obtain an opinion from the Illinois attorney general to determine if the county can lease office space this year.

Byron said it would take too long and that he believes that the judicial order must be completed.

Judge Schuman, who said the other circuit judges are in agreement with the order, wants a room for jurors to isolate them from other courthouse activities and more office space for the state's attorney.

Maurer said the county could lease two floors of the old Bank of Edwardsville building across the street from the courthouse for \$10,000 a year if the legal problem is resolved. The county budget has no provision for the purpose and additional appropriations cannot be made except in an emergency.

## Ruling That Race Track Can Open

Madison County Circuit Court Judge Fred Schuman at Edwardsville today overruled the court decision which had barred an Empire Corp. subsidiary from operating concessions at the Cahokia Downs Race Track, Cahokia.

The Illinois Racing Board had ordered the track to disassociate itself from Cahokia Sport-service before opening its 1973 season April 17. Today's ruling was that it can open without severing the ties.

## Granite City PRESS-RECORD

Mon., March 26, 1973 Page 7

ruled the witness could answer. Storer said that for the "first phase" of his investigation, the comparison of signatures, he was to receive \$250.

"Is there another stage to your work?" Callis asked. "Yes," Storer said. "That involves the preparation of the photographs and information for presentation to the court."

"Hagauer answered, 'that,' the witness was asked. 'Two hundred and fifty dollars,' Storer said.

"That brings us up to today," Callis said. "Now, was there to be a fee for your testimony in court here today?"

"Yes," said Storer, "yes."

Scroggins rested the state case at 4:50 p.m. upon completion of Storer's testimony.

Callis moved for dismissal of the case by directed verdict. He based his motion on statutes providing that Hagauer does not receive a fee for approval of bills to pay them.

The defense attorney also requested a dismissal of the case and a state inspection report of Vaughn's Pharmacy and said neither of them made any interest in Vaughn's Pharmacy.

Judge Mesele overruled the court's directed verdict and Callis called Donald Vaughn as his first witness.

Vaughn said he received a letter from Schuler June 1, 1969, in which Schuler notified him that the partnership was to be dissolved.

On direct examination by Callis, he identified a Narcotics Bureau stamp issued for 1969-70 which showed Schuler and Vaughn as partners, and a list of bills Vaughn as the pharmacy operator.

Callis presented eight separate exhibits, documents tending to show that Vaughn had made changes in sales tax, unemployment compensation and other business record numbers after Schuler's letter dissolving the partnership.

In response to direct questions, Vaughn said Schuler had received no funds from Vaughn's Pharmacy after June 1, 1969, letter and that the partnership income tax return for that particular quarter was the last filed in behalf of himself and Schuler as partners.

As Vaughn completed his testimony, Scroggins moved again for admission of the Dun & Bradstreet report into evidence, maintaining that evidence produced throughout the hearing made it relevant to the charges.

Judge Mesele granted the motion. The judge also rejected three of the defense exhibits as evidence on grounds that they involved pencilled notations and were not sufficiently dated.

Only brief closing arguments were presented by both attorneys, summing up the evidence on each side.

The verdict was announced by Judge Mesele upon completion of the arguments.

Mayor Partney said Saturday he plans to submit a transcript of the proceedings to Attorney General William J. Scott for his consideration.

## High Court Delays Levee Ban Hearing

A scheduled hearing by the Illinois Supreme Court on a plea by the old East Side Levee and Sanitary District to discontinue Madison County court order limiting expenditures by the district was postponed today to permit attorneys more time to file motions and briefs.

The delay will eliminate the case from the March docket which is to be completed this week. No further action is anticipated in the case until the May court setting, it was reported at Springfield.

The old levee district trustees seek removal of a court order by Madison County Circuit Judge William Beatty limiting district expenditures to those of necessity. The order was given early this year in litigation over state legislation that would split the bi-county levee district along county lines.

## 2 Hurt in Fight at North Venice Tavern

Two persons were injured in an altercation at Garrett's Tavern, 337 Waver St., Venice, at 7:25 p.m. Sunday.

Miss Francis Hill, 30, of 23 Lee Wright Homes, suffered lacerations to her scalp and the left side of her neck when she was struck on the head with a bottle, police reported. She was admitted to St. Elizabeth Hospital.

Also injured was James Masie, 94 Lee Wright Homes, Venice, who reportedly attempted to stop the fight between four women. He was struck on the head with a pistol but did not require hospital treatment, police said.

## Labor Group Reaffirms Stand on 2 Candidates

In reply to criticism by some individuals in regard to political endorsements made by the City Trades and Labor Council, AFL-CIO, the executive board today commended further.

"This being a union member is not the only qualification considered for endorsement," the executive board's statement said.

"Paul Schuler, candidate for mayor of Granite City, and Supervisor Nelson Hagauer have demonstrated great ability and dedication as public servants to the people and to members of organized labor."

"They were selected for our support by the unanimous vote of delegates representing 26 local unions within the Council, at our regular meeting."

"This selection was again unanimously ratified at our next regular meeting."

"We are proud of our endorsements. They are not given lightly."

"After careful consideration, our members selected Paul Schuler and Nelson Hagauer as the outstanding candidates. We think they can do the job well. We highly recommend them," the Labor Council board concluded.

## Sculpture Art Created By Employee With Slag

"Fungi," a sculpture formed from steel slag, was recently presented to Granite City Steel Co. by its creator, Carl Townzen, who is a welder at the company. The five-foot high sculpture, painted black and silver, is on display in the steel company's General Office Building lobby. Accompanying the gift was a plaque bearing the title of the work and the artist's name.

The work is one of the many pieces done by Townzen who originated "slag art" several years ago. He creates pictures as well as sculptures using the solidified scum or waste material which forms on the surface of molten metal.

MAURICE SILAS

## Maurice Silas, 33, Dies in Hospital

Maurice Silas, 33, of 10306 Logan St., Venice, died at 3:40 p.m. Thursday at Barnes Hospital where he had been a patient one week.

Born in Edwardsville, he moved to this area in 1964. Mr. Silas was employed at St. Elizabeth Hospital as an orderly.

He is survived by his wife, Mrs. Willie Silas; three children, Chris, Lamont and Maurice Silas Jr., all at home; and his mother, Mrs. Wilma Witherspoon of Toledo, Iowa. Funeral services will be held at 8 p.m. today at the Mount Nebo Baptist Church, Interment Woodlawn Cemetery, Edwardsville.

## 3 Accidents Involve Hit-Run Vehicles

Three accidents in which vehicles left the scene were reported during the weekend.

At 10:10 p.m. Saturday, a car ran into the yard of Mildred Joyce, 2743 Sunset Drive, and hit a tree, then left the scene.

The auto of Mary A. Lindsay, 3140 Rodger Ave., parked in the lot at the rear of the Madison County Savings and Loan Co., in Bellemore Village at 7:45 p.m. Saturday, was struck in the rear.

A car belonging to Robert D. Ison, Alton, parked in the 1400 block of State street, was struck by a hit and run vehicle prior to 1 a.m. Sunday.

## In Chemistry Course

Midshipman Jeffrey D. Brady, son of Mr. and Mrs. Everett F. Brady, 4602 Sara St., has begun his second semester of instruction in the Naval Reserve Officers Training Corps program at the University of Illinois. He is majoring in chemistry and after graduation will be commissioned an officer in the Navy or Marine Corps.

## DRIVER LEAVES SCENE

An auto belonging to William Sloss, 2817 Fortune Drive, parked near his home, was struck by a vehicle whose driver left the scene. Sloss reported at 1:35 p.m. Friday.

## Motorcyclist Injured In Crash with Auto

The operator of a motorcycle was injured at 6:22 p.m. Friday when his machine and an auto were involved in an accident on Nameoki Road near the entrance to Bellemore Village Shopping Center and the cyclist was flipped over the top of the car.

Charged with failure to yield the right of way was James E. Howard, 51, of 263 Booker St., Eagle Park Acres, driver of the auto.

Police said the Howard auto was leaving the shopping center and the operator attempted to turn south onto Nameoki Road when a collision resulted with the southbound motorcyclist. After the impact, Juneger was tossed from the cycle over the top of the automobile, police said.

The sculpture is set in a base of red iron pellets, and attractiveness of the area is enhanced by nearby rows of potted African violets.

Townzen lives at 1920 Harris St., Madison.

## Errors in Foes' Vote Circular, Whittsell Says

Campaign literature backing the Honesty and Integrity Party in the April 3 Namoeki Township election is being assailed by Supervisor Louis Whittsell.

Whittsell comments, "Recently I received a copy of a smear sheet that is being printed in the back room of a typewriter company by non-union printers, that takes a personal jab at me with statements that are completely false."

"Also, a paid advertisement in the Press-Record asked, 'Where was I when the rains came?'"

"It is very easy to condemn and forever ride any public official after a flash flood, but maybe this is nature's way of showing us that regardless of our hard work and careful planning—Mother Nature cannot be fooled."

"In spite of it all, we suffered very little flood damage compared to most of our neighbors."

"I took the statement very personally that was directed against me in regard to the allegation that I fired and denounced as incompetent one of our leading citizens who served for 20 years on the Long Lake Fire District."

"This is not true. This honorable gentleman was appointed by the Town Board and he refused to accept the appointment."

"The smear sheet went on to say that 'I was in an awkward position to acquire a right-of-way for Dobrey Slough.' We are not and never were in a

Granite City PRESS-RECORD  
Page 10 Mon., Mar. 26, 1973

position to acquire rights-of-way for drainage. This is an action of the state and the East Side Levee District.

"The smear sheet being circulated has my name mentioned eight times and I am not a candidate for anything this year."

"My term will run until 1977, and to continue with our programs, we need public officials who know our needs. For that reason, I am supporting the Truth in Action Party."

"The Press-Record has warned many times that citizens should be careful in their judgment of rumors, to take time before you choose the things you believe, and to be aware of a smear sheet campaign."

"We have always maintained an open administration of truth for anyone who is interested enough to want to see the facts."

"This party that put out the smear sheet has never attended meetings or looked at our books during my two years as supervisor of Namoeki Township."

### John Dial Endorsed By Steelworkers Local

John Dial, a candidate for auditor of Chouteau Township, has been endorsed by Local 67 of the United Steelworkers of America, it was announced Friday.

Dial is a member of Local 67 and is employed in the Hot Strip Department at Granite City Steel Co. He is a candidate on the Democratic Party ticket. Dial lives in Mitchell.

### Miss Nenninger, 41, GC Resident, Dies

Miss Elizabeth Marie Nenninger, 41, of 2800 Grand Ave., a lifelong resident of Granite City, died at 3:30 a.m. Friday at St. Elizabeth Hospital.

She had been ill several years and hospitalized at various times since September. Miss Nenninger was a member of Sacred Heart Catholic Church.

She is survived by two brothers, John Sr. and George Nenninger, both of Granite City; two sisters, Mrs. Joseph (Dorothy) Range of Lincoln, Neb., and Mrs. Paul (Helen) Fischer of Collinsville, and an aunt, Miss Betty Heller with whom she made her home.

Funeral services were held today. Details are given in the obituary column.

## Metric System Conversion Called Costly To Steel Industry and of Little Benefit

Washington—John P. Roche, president of the American Iron and Steel Institute, last week told the House Subcommittee on Science, Research and Development that the domestic steel industry would derive little benefit from U. S. conversion to the metric system—and that the conversion would cost the industry more than \$2.1 billion over a 10-year period.

Roche said there are two aspects to the conversion.

The first is merely the use of metric measure instead of customary measure to express sizes.

This so-called "soft conversion" would not present serious problems to the steel industry, although it would require considerable employee and customer education and new literature.

The second level of conversion is the so-called "hard conversion."

"This is another story," Roche said. "This would involve physically changing all of our products to reveal number metric dimensions. 'This is more than just changing numbers. We would be faced with the massive task of retooling to produce these new products.'"

"This would be extremely expensive," Roche said. The cost of conversion to the steel industry also could be broken into two parts.

"First would be the costs of getting ready," he said. "Our two-year study completed in 1971 estimated these costs at \$785 million."

"This figure, large as it is, was based on the assumption that we would have ample time for prior planning, training of personnel and purchase of equipment."

"Second would be costs incurred during the conversion period. Our study estimated these at \$1,376,000,000 over a 10-year period."

"These costs would be largely for carrying inventories in both inch and metric measure during the changeover period. Again, we have assumed the most favorable circumstances—that there would be optimum coordination of the changeover for every product."

He said if Congress deemed conversion necessary, it should:—Make the metric system predominant but not the only system of measurement.

—Leave open the timetable for the start and completion of the conversion so that it could be formulated by a spe-

cial planning board representing conversion until a national plan is agreed upon by all concerned segments of society. Because of the magnitude of the board's task, Roche proposed that it be given at least two years to formulate its plan.

—Limit government's metrication efforts to education and encouragement. Roche expressed the view that the government should not use its purchasing clout to force conversion at a particular pace. He specifically proposed that during the conversion period, government procurement regulations permit alternative usage of metric and customary measure.

—Give due consideration to minimizing the cost impact on the economy of the United States.

"Finally," Roche said, "efficiency in the metric system will require considerable cooperation among the affected parties, including producers, suppliers and purchasers. Joint planning and coordination is unlikely to occur in any effective manner unless the metric conversion legislation contains provisions which recognize this problem and alleviate the danger of inequitable antitrust prosecution or treble damage litigation arising from such cooperation."

## Two Bills on Public Employee Bargaining

Copley News Service  
Springfield—It looks as though the 78th General Assembly will wrestle with legislation which seeks to establish by law collective bargaining by public employees, which could include a right to strike.

In the House, Rep. Thomas J. Hanahan, D-McHenry, is sponsoring his fifth such bill. He is an official in the Chicago janitors' union. He has introduced the legislation since being elected to the House.

Hanahan's legislation also calls for open-shop contracts. This area is certain to cause a great deal of concern not only among legislators but among local-level governmental units.

### Grand Jury Indicts Man on Battery Count

Robert Taylor, 46, of Greenville, was charged with aggravated battery by the Madison County Grand Jury which returned seven indictments Thursday afternoon.

Taylor was charged with striking Granite City police Lt. William Condis on the head and arms with a belt at the police station after he was arrested for a traffic violation.

### FACES THREE CHARGES

Wayne Bell, 19, of Valley Park, Mo., was arrested and charged with resisting arrest, careless driving and no valid driver's license at 1:30 a.m. Friday at Second Street and Madison Avenue, Madison. Bell was released on \$75 cash bond.

## Open Clash by Walker, Daley

Copley News Service  
Springfield—It's here. That big break, long predicted at the Statehouse, between Gov. Dan Walker and Chicago Mayor Richard J. Daley is already at hand.

It has come with the governor's amendatory veto of the Chicago Transit Authority financial aid bill.

By cutting the state's portion by \$3 million and putting the program on a flat 50-50 state and local contributory basis, Walker has taken a clear slap at the mayor and the Democratic legislative leadership as well.

In typically dramatic fashion, Walker has proclaimed his leadership not only of the government of Illinois but of his own party as well.

He has thrown down the political gauntlet to Daley. The anticipated battle is joined and its eventual outcome will have a tremendous bearing not only on Democratic politics in Illinois but perhaps nationally as well.

Walker's veto move, besides being a rebuff to Daley, also is a resounding answer to mounting criticism from legislators as well as other politicians and some segments of the press that the new governor has been abdicating leadership and initiative to the legislature.

The CTA bill was a comprehensive package, worked out through lengthy negotiations involving legislative leaders of both parties and in the House and Senate.

Now, Walker after remaining virtually silent previously, has bluntly told them all that he does not believe they have done a good enough job.

He has rewritten the bill for them and left it up to the legislators to either accept his version or risk taking the blame if a long-forevered collapse in the CTA operation does occur. The House on Thursday voted 113 to 49 to override the veto.

Decorative Senate Leader Cecil Partee, a Chicagoan and one who has worked on behalf of legislative program at several legislative sessions, was quick to voice his disappointment and

## Mrs. Palmer, Library Professor, Succumbs

Mrs. Millicent Palmer, 60, associate professor of library instruction at Southern Illinois University at Edwardsville, died last week at St. Mary's Health Center, Richmond, Mo., after an extended illness.

Widow of the late Charles Palmer, the SIUE librarian was born in Madison, N. H. She received her A.B. degree in speech and English from Muskingum College in New Concord, O., and her M.A. in librarianship from the University of Denver.

Before joining the staff of the Lovejoy Library at SIUE in 1965, Mrs. Palmer was head librarian at Sunnyside High School in Tucson, Ariz.

She was a member of the National Education Association, American Library Association and Edwardsville Presbyterian Church. She was a nationally recognized consultant and the author of numerous articles on library instruction.

Survivors include a son, Mrs. Palmer's mother, six sisters and five brothers.

There will be no formal funeral service. A memorial service for Mrs. Palmer was Saturday afternoon in the Religious Center on the SIUE campus, conducted by the Rev. Russell Wigfield.

criticism about Walker's action. But the governor continues to show that he cares little about criticism or opposition from any established political, legislative or government leader. He is an independent, leading a new "people's" crusade.

He believes that, in the end, the pressure of public opinion will enable him to overpower any government or political opposition.

There are not many beneath the Statehouse Dome who share his confidence in this assessment. But the battle is now definitely joined and time, as ever, will produce the final decision.

### Two Bills on Public Employee Bargaining

Copley News Service  
Springfield—It looks as though the 78th General Assembly will wrestle with legislation which seeks to establish by law collective bargaining by public employees, which could include a right to strike.

In the House, Rep. Thomas J. Hanahan, D-McHenry, is sponsoring his fifth such bill. He is an official in the Chicago janitors' union. He has introduced the legislation since being elected to the House.

Hanahan's legislation also calls for open-shop contracts. This area is certain to cause a great deal of concern not only among legislators but among local-level governmental units.

### Grand Jury Indicts Man on Battery Count

Robert Taylor, 46, of Greenville, was charged with aggravated battery by the Madison County Grand Jury which returned seven indictments Thursday afternoon.

Taylor was charged with striking Granite City police Lt. William Condis on the head and arms with a belt at the police station after he was arrested for a traffic violation.

## Dietrich Named Head of Uniwah Scout District

By Press-Record Staff Photographer

**GOOD DEED IN HAND.** Henry D. Karandjeff, chairman of the Camp Sunnen Acquisition Committee of the Cahokia Mound Council Boy Scouts of America stands next to a replica on display at the Granite City Trust and Savings Bank lobby of the 370-acre camp located near Potomac, Mo. The replica was constructed by Brad Cowan, 17, vice-chief of the Cahokia Lodge Order of the Arrow. A gift of industrialist Joseph Sunnen of Sunnen Products, St. Louis, the deed was filed and recorded on March 15. The local Boy Scouts began using the camp in 1953 and an estimated 1,400 scouts and leaders will attend this summer.

The executive board of the Cahokia Mound Council, Boy Scouts of America approved Robert A. Dietrich and John A. Blasingame as chairman and vice-chairman respectively of the Uniwah (Quad-Cities) District at its Thursday evening meeting held in the First Granite City National Bank.

Dietrich and his wife Diana live with their four children, Dan, 17, John, 15, Robert Jr., 8 and Julie, 5, at 2861 Lincoln Ave. He is employed as an assistant cashier at the Granite City Trust & Savings Bank.

A Cub Scout and Boy Scout as a youth he has been serving as the district advancement chairman for the past two years. He and his family attend Concordia Lutheran Church. Dietrich replaces Robert Hilliard who is moving out of state at the end of the month.

Blasingame and his wife Shirley have three sons, Jeff, 11, James, 10, and John, 5. They live at 2117 Richmond Ave. He is assistant to the district manager of the Illinois Power Co.

A member of Hope Lutheran Church Blasingame is also a member of the Madison Rotary Club. He has been serving as a district member-at-large, the district finance committee and the Council Long Range Planning Committee.

Henry D. Karandjeff received a standing ovation from his fellow board members, and high praise from council President Mel Gillie when he handed the deeds and other legal papers showing ownership by the Cahokia Mound Council of Boy Scout Camp Sunnen located near Potomac, Mo.

Karandjeff reported that the deed has been recorded in the council's name as of March 15, 1973, showing ownership of the 370 acres of land.

The local scouts have been using Camp Sunnen since the summer of 1953, with the permission of Joseph Sunnen, a St. Louis industrialist, who recently gave the property to the local scouts.

Karandjeff has been serving as chairman of the Camp Sunnen acquisition committee of the council.

Mrs. Mary Tarpoif, 1606 Clark St. became the first woman board member of the Boy Scout Council by a unanimous vote. Mrs. Tarpoif served as a den mother for six years and is currently serving on the council training committee and the woman's reserve. She was awarded the district Certificate of Merit and the Den Mother's training award in November 1964. She received the district Award of Merit (Scout Oscar) on June 3, 1965, and received the Silver Fawn, the highest

award a local scout council can bestow on a woman, in February 1970.

She and her husband Alex, who operated Tarpoif Packing Co., have three sons, Alex, 21, John, 19, and Craig, 18.

Jack Holschouser of Edwardsville, Exploring chairman, reported that all Explorer posts would gather at Camp Sunnen on April 13, 14 and 15 for a combination campout and planning conference.

Mike Bilibrey of Venice, chief of the Cahokia Lodge Order of the Arrow, reported to the board that emphasis on individual scouts registering for camp was currently underway.

W. F. "Mick" Strange, council camping chairman, informed the board that both new camps have been paid for and that this summer's attendance would far exceed all previous years.

The Scout-rama on May 19 in all three districts is taking shape, according to Dr. Thomas P. Layloff Jr., council activities chairman. Layloff further reported a Boy Scout Council campout was scheduled for Oct. 12, 13 and 14 at the Cahokia Mound State Park and that he and G. Rollin Henn, who is in charge of physical arrangements for the event, will meet with park officials next week.

It was announced by Leo Schermer, council advancement chairman, that Circuit Judge William Beatty will be the featured speaker at the Eagle Recognition dinner on April 23 at the Granite City Elks Club.

### Three Area Men Retire At Granite City Steel

One man each from Granite City, Madison and Venice were among the seven Granite City Steel men to retire from the company this month, although top seniority among the retirees was held by a St. Louis County man. The latter is Ormond Griebel, retiring after 44 years of service.

The Quad-Cityans are Howard Cline, 4601 Maryville Road; Hillie Word, 707 Franklin St., Madison; and Clarence "Sonkey" Freise, 1325 Robin St., Venice.

Griebel, who retires this month, started as a draftsman in March 1929. He is an appropriations engineer in the engineering department.

Cline, an electric shop electrician, had 18 years of continuous service with GCS, as well as a previous period of employment there lasting 14 years. He and his wife, Hazel, have three daughters, a son and eight grandchildren.

Word spent all 27 years of service in the coke ovens department as an oven lifter. He and his wife, Bernice, have four sons, three daughters, 16 grandchildren and two great-grandchildren.

Freise took a disability retirement as yard maintenance burner after more than 25 years of service with Granite City Steel. He and his wife, Marie, have four daughters and four grandchildren.

The other three March retirees from out-of-town were John Koser Jr. of Edwardsville, Ed Lee, who has moved to Rolla, Mo., and Steve Greiner of East St. Louis.

Koser retired after 22½ years with the company. He was an assistant purchasing agent. He and his wife, Lillian, have a son, three grandchildren and one great-grandchild. Son John Jr. and grandson John III both work for Granite City Steel.

Lee, who retired after 24 years of service, was a North Plant chairman. He spent his entire career at the North Plant. He and his wife, Zora, have three daughters, two sons and 15 grandchildren.

Greiner, a blast furnace ore bridge oiler, retired after 18 years with Granite City Steel. He started in the labor department, then transferred to the mechanical department a few months later. He and his wife, Martina, have four sons and one grandchild.

## MAYOR PARTNEY'S CAMPAIGN PROMISES 1965-1968 ... And Again -- 1973

### MAYOR PARTNEY'S PROMISES IN THE LAST THREE CAMPAIGNS

1. An economical storm water drainage system.
2. Civil service for city employees not covered by the fireman and policeman act.
3. Reduction of air pollution.
4. Downtown urban renewal.
5. The John Kennedy plaza on the old post office site.
6. A postal substation downtown.
7. Relieve traffic congestion.
8. Construction of a railroad overpass in the city.
9. Construct comfort stations in business areas.
10. Assist the local hospital in attracting the services of a resident physician.
11. Return the operation of the sanitation department to the city.
12. City's own engineering department.
13. An annual disclosure of my income tax report to the local newspaper.
14. To give up private business and be a full-time mayor.
15. To constantly work for unity between council and mayor in solving city problems.

### THE MAYOR'S PERFORMANCE ON HIS PROMISES ...

1. The homes and property RUINED by a lack of new storm water drainage.
2. No civil service enacted or proposed.
3. Air pollution has increased in existing plants. The only reduction has been due to PLANT CLOSINGS.
4. No downtown renewal. In fact, the downtown is a depressed area with numerous EMPTY STORE FRONTS.
5. The park on the site of the old post office was planned and built by the Granite City Park Board while PAUL SCHULER WAS A MEMBER OF THE PARK BOARD. The Mayor had nothing to do with it.
6. No postal facilities of any kind in the downtown area.
7. Anyone who drives in the commercial area of our City on a Friday knows the answer to this.
8. No railroad overpass completed nor planned.
9. No comfort stations in the business areas and, in fact, very little business left downtown.
10. PAUL SCHULER is the head of the committee which attracted seven new doctors to our area. The Mayor had nothing to do with it.
11. The Mayor returned the Sanitation Department to patronage. In fact, GAVE ALDERMAN NONN'S SON-IN-LAW A JOB AT THE TREATMENT PLANT. The garbage pick-up contract is still held by an outside firm.
12. No Engineering Department in the City. In fact, thousands of dollars paid to out-of-state firm.
13. Income tax returns NEVER disclosed to hide income as President of Granite City Sheet Metal Works, Inc.
14. Still President of Granite City Sheet Metal Works, Inc. by his own admission as of February, 1973.
15. Has done nothing to bring harmony to the City. In fact, has caused further dissension as evidenced by hold up of City employees' pay checks and unfounded law suits.

### Incumbent Ponce Running For Venice Park Board Post

Peter C. Ponce, 37, of 507 Fillmore St., Venice, is an unopposed candidate for re-election on April 3 as commissioner of the Venice Park District, a post which he has held since 1965. He is a native and lifelong resident of Venice, where he attended St. Mark's School and Venice High School. He also attended St. Louis University and received a bachelor of arts degree from Southern Illinois University at Edwardsville.

Ponce is a teacher-coordinator at Venice High School and formerly was a teacher at the Venice-Lincoln Technical Center and a clerk for the Terminal Railroad Association.

He is a member of St. Mark's Church, its Holy Name Society, the American Federation of Teachers, Illinois Federation of Teachers and Public Adult Continuing Education of Illinois.

He and his wife, Grattapa, have two children, Timothy, 12, and Christina, 11. His comments: "The park district serves the community through its various programs and facilities. It is an improvement in the continuation and interest of these services, especially those involving our youth."

### Delay Hearing on Air Pollution Charges

A hearing scheduled Tuesday of charges by the Granite City Air Pollution Control Board against Ferro Processing Division of International Mill Service has been postponed for approximately two weeks. Dr. Reid E. Sutton of the air pollution control office announced today.

Charges against Ferro Processing and two other Granite City industries, alleging violations of local and state air pollution control regulations, were announced last week by Henry Bieniecki, chairman of the Granite City board.

The other firms named in complaints filed by Erwin C. Hoelscher, technical secretary of the clean air board, include Lipsitt Steel Products, Inc., and Granite City Steel Co. with Granite City Steel named on two counts.

Tonorrow's hearing on the Ferro Processing complaint had been scheduled for 8 p.m. in the Municipal Building, 2301 Adams St.

Dr. Sutton said the postponement was granted at the request of the company's attorneys who said they required time to prepare their case.

## Steel Imports Reach New Record in January

Steel imports reached a new January record in the first month of 1973, according to the American Iron and Steel Institute.

Government data show that 1,281,000 tons of foreign steel mill products arrived in this country during the month. This was a jump of 288,000 tons—or 28.9%—over the January 1972 total of 1,093,000 tons. It also was 76,000 tons higher than the previous January record of 1,205,000 tons set in 1971, when consumers were stockpiling against the possibility of a domestic steel strike.

The value of steel imports also continued to climb. The declared value of foreign steel landed in the U.S. in January averaged \$167.32 per ton—or \$9.52 per ton more than the \$158 per ton average for all steel mill product imports during 1972.

As 1973 began, shipments from several important foreign sources were up substantially over the comparable period of last year.

Japan, for example, sent in 540,000 tons of steel in January. This was 17.1% more than the 460,000 tons of Japanese steel received in the same month of 1972. Imports from the European Economic Community were \$333,000 tons, up 25.9% from their 428,000 ton total in January of last year.

Imports from all other countries increased at an even faster rate, however. They reached 299,000 tons in the first month of 1973—an increase of 10.9% over the 269,000 ton total in January 1972.

The biggest single contributor to this growth is Korea, which shipped the United States 67,000 tons of steel in January of this year. This was more than seven times the 8,900 tons that country in the first month of 1972.

Steel imports from Canada, Sweden, Argentina and Poland also went up sharply from their January 1972 levels, while those from Mexico declined substantially.

In the first month of this year, imports of carbon steel totaled 1,230,000 tons, a gain of 25.4% over the 1,061,000 tons shipped into this country by mills abroad during the comparable period of last year.

Large comparative increases were recorded in foreign shipments of hot rolled bars and bar shapes, plates, pipe and tubing, and hot and cold rolled sheets.

January's stainless steel imports were down 20.4% from the same period of 1972. A major factor in this decline was the 38.9% drop in stainless receipts from Japan. The EEC nations, however, sent the U.S. 11.9% more stainless steel than they did during the first month of last year.

Foreign tool and other alloy shipments were well above last year's level.

Imports of tool steel in January of this year were 67,3% above their first month, 1972 total. Sweden boosted its tool steel exports to the United States by 49.1% over the comparable period of last year.

while those from Canada were up 70.6%. Japan, however, sent the U.S. more than four times as much tool steel as it did during the first month of 1972.

Alloy steel shipments from foreign mills during January 1973, were 147.9% above their level for the same month of last year. Imports from Japan were more than triple their first month, 1972 pace, while such shipments from the EEC had more than doubled.

During January 1973, more imported steel entered the U.S. through the Gulf Coast-Mexican Border region than through any other area. Imports into this section of the country totaled 462,000 tons or 91.3% more than the 241,000 tons of foreign steel received there in the first month of last year. On a comparative basis, Japan increased its shipments into this region by 62.5%, the EEC nations by 176.8%, and the rest of the world by 54.7%.

The Atlantic Coast received 405,000 tons of foreign steel in January, an increase of 40.4% over the previous year. The main reasons: a 33.5% jump in shipments into this area by the EEC, and a 78.6% rise in shipments from countries other than Japan.

Imports into the Pacific Coast totaled 333,000 tons in January of this year, with nearly three quarters of the total coming from Japan. However, compared with the first month of 1972, steel shipments to the West Coast from countries other than the EEC and Japan shot up 285.5%. This factor, combined with a 3.8% rise in Japanese shipments, more than offset at 63.9% comparative drop in West Coast imports from the EEC.

**AUTO-CYCLE MISHAP**  
A motorcycle operated by John Stroud, 2133 Robert Ave., and an auto driven by Thomas Mieger, 2532 Paul Ave., were in an accident as Mieger was pulling into his driveway last week. Stroud was charged with having no valid registration and Mieger was charged with a right-of-way violation.

**BIRTHS DOWN, DEATHS, MARRIAGES UP IN COUNTY**  
The number of births declined in Madison County during February while marriages and deaths increased, according to a report of vital statistics prepared by the office of Miss Eulalia Hotz, county clerk.

There were 247 births, down 35 from the number of last year, including 124 males, down 12, and 123 females, down 14. Included were four sets of twins, up one.

There were 201 marriages, an increase of 28, and 199 deaths, an increase of 32.

**BURGLARY IN PROGRESS**  
Police were called to Niedringhaus School last week on a report of a burglary in progress, but a room-to-room search by an officer and a police dog was fruitless. Entry was gained by breaking a window, and officers found an open door.

**TOMORROW'S DESIGNERS** of future automobiles are the top prize winners in a model car contest sponsored by the Royal Ambassadors of First Baptist Church of Madison last week. Left to right, front row, are Ronnie Graville, first place; Tom Jones, best of show trophy donated by the Granite City Dodge Co.; Dale Mays, second place, and Gary Graville, third. Judges in the back row are Monk Richardson and Jan Langenstein, representing Granite City Dodge.

## Back from Meeting on Learning Disabilities

Four Granite City Learning Disabilities specialists have returned from the 10th International Conference of the Association for Children with Learning Disabilities, held in Detroit, Mich.

They are Maude Chilton of Parkview and Johnson Schools, Joyce Hicks from Marshall and McKinley Schools, Mary Moran of Logan and Washington, and Marilyn St. Pierre of Wilson and Stallings Schools.

The theme of this year's meeting was: To Act, To Change, To Learn, To Do. Educators, parents, physicians, psychologists and others professionally involved with children with learning disabilities participated in the conference.

During the four-day workshops, seminars, "rap" sessions, lectures and discussion groups were held.

There were re-scheduled visitations to many area schools and projects to see what is being done in their classes.

These were aimed at increasing participants' knowledge of learning disabilities and what can be done for remediation of the problems.

Granite City is one of the leading districts in this area.

**TICKETED IN MISHAP**  
Karen Eaves, 2349 Grand Ave., was issued a traffic signal violation ticket after her auto and another driven by Larry L. Monroe, 1821 Madison Ave., were in an accident last week at 20th Street and Madison Avenue.

With its Learning Disabilities program. Each school in the district has the services of a Learning Disabilities Specialist one-half day, five days a week.

Vasil Efthymiou is the coordinator and district director of the program.

The specialists who attended the conference said they brought back many new ideas to be shared with the other specialists and teachers of the district.

## Evans-Baskette Nuptials

Mrs. Neil Baskette, 2014 Grand Ave., and Burl R. Evans of Cowden, Ill., were united in marriage March 10 at the First Presbyterian Church in Walnut Ridge, Ark.

The Rev. Robert Bennett officiated at the 6:30 p.m. double ring ceremony.

After the service the newly married Mr. and Mrs. Cowden toured the southern states, returning to Granite City last evening.

The former Mrs. Baskette is guardian of Bethel 43, International Order of Job's Daughters. The couple will reside in Cowden.

## FORMER RESIDENTS NAME SON KRISTOPHER MICHAEL

Navy Seaman and Mrs. Michael Griffith, formerly of Ewa Beach, Hawaii, are announcing the birth of their first child, a son, born March 20.

The new arrival weighed seven-and-a-half pounds and has been named Kristopher Michael. His mother is the former Miss Debbie Moore, a daughter of Mrs. Barbara Hunt of Edgely, Tex., and Ed Moore, 33 Bermuda Lane. Paternal grandparents are Andrew Griffith of Sappington, Mo., and Mrs. Ben Clark, 2908 Buxton Ave.

## REVIVAL SERVICES AT APOSTOLIC CHURCH

Revival services started Sunday at the Apostolic Church of Jesus Christ, 1126 Madison Ave., and will continue daily through April 1.

Each evening at 7:30 services will be conducted by the church pastor, Grace Sparks. She will also hold prayer meetings on Tuesday and Thursday mornings from 10 to 11, in conjunction with the revival.

Sunday worship services start at 10 a.m. The public is invited to attend.

## Granite Chapter Initiates Two

Granite Chapter 630, Order of Eastern Stars, initiated two new members, Mr. and Mrs. Theodore Todoroff, at a regular meeting Friday night at the Masonic Temple.

Presiding at the meeting and ceremonies were Mrs. Rachel Larsen, worthy matron and Walter Johnson, worthy patron. Escorted and introduced as guest for the evening was Mrs. Sandy Simpson, worthy matron of New Hope Chapter 42, Order of Eastern Stars.

Plans were announced for a "Friends' Night" April 13 and "Advance Night" was set for April 27.

After the meeting, refreshments were served to 40 members in the dining room.

## NIEDRINGHAUS PRINCIPAL, HEART SURGERY PATIENT

Gerald Busue, principal of Niedringhaus School, is recuperating from heart surgery at Firmin Desloge Hospital in St. Louis.

He entered the hospital Tuesday and underwent major surgery Thursday. At the present time he is not allowing visitors, a family spokesman said.

## Madison County Board Can Borrow from Self

The Madison County Board can borrow money from one of its accounts and place it in another until tax collections are received, according to Don Smith, assistant state attorney.

He told the board's finance committee Friday that it could in effect issue tax anticipation warrants to itself.

The loan is expected to be proposed in a resolution at the April meeting of the board.

The county will need about \$50,000 a month for four special accounts which have been depleted. At its meeting this month the board approved issuance of warrants to banks.

Smith said the county can set its own interest rate to 4 1/2% per year and recommended that it be the lowest percentage possible, or .0001%.

## The Schermer Bulletin...

**TRouble, TRouble, TRouble...** one thing about the food business, a new crisis occurs everyday. Last week we thought we had a good thing going; frying chickens at 39 cents. Well, Thursday was fantastic. We really sold fryers. We receive fresh fryers everyday; so Friday morning when we called our supplier to increase our order, he said, "sorry, you'll get your original order, but I am out of fryers."

So, the "no limit" sale was stopped and we limited the sale to 4 fryers per customer. However, we are putting them back on sale for Tuesday and Wednesday and should have ample supplies. The market on fryers is stronger this week, so if you didn't get enough last week, here's your chance; "one more time!"

One other suggestion for beating the squeeze on the food budget. Banquet Buffet Dinners, 2-lb. box for 99 cents. Eight varieties to choose from and this price is low, low. Put a few of these in your freezer; better than buying stock in the stock market. The price will definitely go up.

# Biographies, Proposals of the Granite City Mayor Candidates

## Partney City Official 26 Years

Donald Partney, incumbent mayor of Granite City since 1963, is seeking re-election as mayor in the April 3 municipal election.

Partney, 56, lives at 2900 Illinois Ave. He served as an alderman for 18 years prior to his election as mayor eight years ago. He is married and is the father of three grown sons and two daughters.

The incumbent mayor is president of the Granite Sheet Metal Works, Inc., which has been operated by his son, David Partney, since his election as mayor.

Mayor Partney formerly was a foreman for the Westinghouse Electric Co., sheet metal division, and The Emerson Electric Co. aircraft division.

## Two April 3 Rivals Outline Their Goals

The two Granite City mayor candidates were asked: What actions or policies do you propose to carry out as mayor during the next four years?

Their replies follow.

**A. Downtown mall:** Proceeding already underway and ready for court. (Under way)

**B. Improved drainage:** Just last week I received an OK of state funds to be used for drainage of Doherty Slough at no cost to taxpayers of Granite City. (Ready to go)

**C. Widening of Highway 203:** From Granite City to Mitchell now under way in which we have and continue to exercise the utmost cooperation. (Under way)

**D. Extension of Maryville Road:** From Pontoon Road to Highway 162. Contract already signed with county. City cost \$230,000; county cost \$1,500,000. (Under way)

**E. Agreement signed with highway department:** for drainage along Highway 203 and parts of Old Nameoki at a cost of only \$15,000 to taxpayers of Granite City. (Now under way)

**F. Construction under way:** for widening of Johnson Road from Franklin to Pontoon Road. This will be a new concrete road. (Under way)

**G. "Topics" program:** engineering under way on five intersections along Madison Avenue and Nameoki Road, including Namoki and Johnson Road. This will be for widening and synchronized lights, including left turn signals. (Under way)

**H. New secondary treatment plant:** for sewage drawn up by engineers and soon ready to go. Contract signed (with provisions) and awaiting federal funds. (Under way)

**I. A new industry:** (I am not at liberty to divulge name and type) has agreed to come to Granite City which should employ about 40 people. (Under way)

**J. To cooperate with and follow through:** on \$20 million of new construction in our city, some of which is included in the above listings. (Under way)

**K. Propose to suggest:** that all United Fund officers be housed in downtown YMCA to alleviate

financial problems of the "Y."

**L. Propose a Downtown complex:** for a possible Junior College, should it come to Granite City.

**M. Propose to work:** for a reduction in property taxes in Granite City next year.

**N. Propose to use revenue sharing funds:** for a new fire house in the eastern part of town and removal of the old fire house on Nameoki Road.

**O. Purchase of additional firefighting equipment.**

**P. Increase size of police department.**

**Q. Continue with and expand drainage program:** in city, which is and has been a continuing project.

**R. Continue, as in past,** to work with Chamber and Labor to secure additional industry of a desirable nature for Granite City.

**S. Give support to continuation of the Great River Road:** from West Granite to East St. Louis.

**T. Continue to press:** for Niedringhaus Avenue as a federal aid route from Great River Road to Route 3 and Route 162, and help provide an overpass or underpass at the railroad tracks with federal funds.

**ALDERMAN SCHULER—**

**1. I have formulated eleven goals:** that I propose to carry out in the next four years as mayor of Granite City. They are:

**1. Attract industry.**  
**2. Stop economic decay.**  
**3. Adequate sewer facilities.**  
**4. Control pollution—water and air.**  
**5. Solve drainage problems.**  
**6. Increase fire and police protection.**  
**7. Increase share of federal and state moneys for local projects.**  
**8. End communications gap with City Council.**  
**9. Complete road projects.**  
**10. Improve animal protection.**  
**11. Control and sidewalk improvements.**

**I am not so foolish to believe:** that all of them will be accomplished, but I assure the people of Granite City that I will work day and night, seven days a week, if necessary, to accomplish these goals.

**ALDERMAN PARTNEY—**

**1. I will accept no contributions:** from any special interest groups who would seek some type of reciprocity in return for a financial contribution. This type of fund-raising I consider dangerous and unmerited.

**2. I will accept no contributions:** from any special interest groups who would seek some type of reciprocity in return for a financial contribution. This type of fund-raising I consider dangerous and unmerited.

## Schuler Former Park President

Paul Schuler, 41, of 3237 Newell Drive, is a candidate for the office of mayor of the City of Granite City, opposing incumbent Mayor Donald Partney.

A native and lifelong resident of Granite City, he is a pharmacist and operates Midtown Pharmacy.

He has been an alderman from the Sixth Ward for four years and formerly was a Granite City Park District commissioner for six years.

He served as president of the Park District in 1967-68.

Schuler formerly was employed at the Courtney Drug Store in East St. Louis and by General Steel Industries.

He attended Sacred Heart School, Granite City High School, Arkansas State College, Washington University and the St. Louis College of Pharmacy.

He is a member of St. Margaret Mary Catholic Church and of the parish council, a director of the Paddlers, Inc., a swimming pool association, 1973 City Heart Fund chairman, a United Fund captain and a member of the Granite City Rotary Club, Veterans of Foreign Wars, Elks and Eagles lodges, Knights of Columbus, Chamber of Commerce, Amvets and the Warriors Boosters Club.

He and his wife, Billie, have seven children, Cindy, 17, Paula, 16, Allan, 15, Fred, 12, Kathy, 11, Theresa, 10, and Joseph, two and a half.

Schuler served in the Army for two years.

Following his announcement that he would leave the City Council and seek the office of mayor, he was endorsed for mayor by the Tri-City Trades and Labor Council, AFL-CIO.

As an alderman, he has served on the Finance, Traffic and City Hall Committees and as chairman of the Street Light Committee.

He has been a member of the Retail Clerks Union for eight years and was a member of the United Steelworkers for two years.

He comments, "With the experiences of ten years in public office, as an alderman and member of the Granite City Park Board, I have become interested in all phases concerning the betterment of Granite City."

"I feel that—with the help of many other concerned people—we can put the city on a progressive route to help everyone with better services, reduced taxes and an animated city government."

"I intend to be in a position to attract industry and business and bring back many of the lost jobs of the preceding years, and to serve all the people with special favor to any particular group."

## Economy Steps Are Presented

The two Granite City candidates for mayor April 3 were asked, "What specific economies do you propose?"

Mayor Partney told the Press-Record:

"To see that every tax dollar is utilized to the fullest effectiveness."

"And that any project promoted or condoned must be a necessity to our future."

Alderman Schuler replied:

"Specific economies that I will propose are that the city budget be extremely scrutinized in all respects in regard to each particular department to see if cuts were necessary, which would not reduce city services."

"With a constructive program to utilize the general revenue sharing money from the federal government, with possible tax reductions always a first consideration for all the people of Granite City."

"I also believe that by attracting industry and business, we can broaden our tax base, which will lessen the tax burden."

## Tax Restraint

What are your thoughts on procedures to achieve a good balance between the sometimes contrasting goals of providing needed municipal services and keeping the city tax level under reasonable control?

Mayor Partney said:

"Expand wherever possible, and on fringe area services we have and shall continue to exercise a 'Good Neighbor Policy' and cooperate in fire-fighting, drainage problems, and any other factors of common concern."

Alderman Schuler:

"Here, again, the key to maintaining the tax level under reasonable control, and providing municipal services, is the need to grow."

"The city receives most of its tax moneys on a piecemeal basis, which makes annexation and growth highly desirable."

"A city must provide services to its people for the least amount of money. Waste in government must be eliminated and the city budget must be closely watched at all times."

"This is another place that we must consider and plan the best uses for revenue sharing monies."

**AUTOS IN ACCIDENT**  
Autos driven by Elmer L. Campbell, Mount Carmel, and Nancy A. Smith, 3025 Wayne Ave., were in an accident at 9:05 p.m. Thursday at Nameoki Road and Madison Avenue.

**PARKED AUTO STRUCK**  
The auto of Sandra L. Rozum, 1501 St. Clair Ave., parked at 2525 Stratford Lane, was struck by a car driven by Henry H. Hudson Jr., 2728 Dale Ave., at 7:50 p.m. Thursday.

## Chief Issues Given

What do you think are the chief issues that should be evaluated by voters in deciding the current election campaign for mayor?

Mayor Partney replied:

"The chief issue of this election must be experience and qualifications, or our city can become stagnated and broke."

Alderman Schuler said:

"Granite City has suffered the loss of some 2,500 to 3,000 jobs in the last three and one-half years. In the last ten years, our community has lost approximately 10,000 blue collar jobs. We cannot allow this trend to continue."

"Our Downtown area must be revitalized because, whether we admit it or not, a city's Downtown area reflects the mood and attitude of the community."

"But, most of all, I think our city needs new vigorous leadership with new ideas to get Granite City going once again."

## Policies on Growth

What is your attitude toward the subject of economic development in the city and surrounding area, and residential-commercial-industrial construction in the American Bottoms area, extending from the Mississippi River to the Bluffs?

This question was submitted to both Granite City mayor candidates.

Mayor Partney said:

"I am for expansion of Granite City providing that it is of a non-polluting nature and adequate drainage is possible."

Alderman Schuler said:

"Annexation to the north and east should be our ultimate goal. We have many things in common with these areas, especially with the soon-to-be-relocated Sewage Treatment Plant."

"Any plan for annexation and growth must include plans for storm-water and sanitary sewers, and should be a necessity on all annexation procedures for the good of the city and the people desiring annexation."

"Some aldermen oppose me, but I have no animosity toward any of them."

"I will work extremely hard to have us all work together for one goal and one goal only—the betterment of Granite City."

Comment and  
Analysis

Link Between Midwest and Granite City Steel Plants Beneficial  
To Both Areas, Consumers and the Parent National Corporation

The first full calendar year of National Steel Corporation ownership of the community's largest industrial plant, Granite City Steel Company, is now history.

National's newly-issued 44th annual report shows it was "an all-time record year" for the company.

"Additional hot metal and more steel available to the 80-inch continuous wide hot strip mill. As a result, GC Steel took over a key role in National's interconnected four-plant steel production."

"Midwest Steel at Footprint, Ind., took more than 25% of GC Steel's total shipments. Shipments to other GC Steel customers also were at a high level."

"Two projects to raise productivity of hot-rolled coils were begun in 1972. A maintenance shop adjoining the mill will reduce downtime; a coil-control system will automatically transport, track and inventory hot bands."

In reporting a 53% National Steel earnings rise in 1972, George A.

Stinson, chairman and president, commented that production in Granite City "was up and substantial in the use of primary steel and of hot-rolled bands. The Midwest Steel Division became Granite City Steel's largest customer."

"We have our longer-term requirements under close study. We intend to build so that opportunities we see can be met."

"More remains to be done, but 1972 proved the benefits we anticipated for all concerned from this acquisition."

"Expansion of Midwest Steel by 60% now is complete. These facilities continued our market penetration at historic highs and are making a growing contribution to our financial results."

"Steel continues to be the most widely used and versatile basic material. Its growth, as the economy expands, is vital."

"Projections for the flat-rolled metals we serve show a 25% increase by 1980. Thus, National Steel must provide ample room to grow. We believe we have made sound provision for that growth in the next few years through our additional capacity at Midwest and Granite City."

"We have our longer-term requirements under close study. We intend to build so that opportunities we see can be met."

Incumbents Dominate One of Two Tickets in Chouteau Township

A Chouteau Township ticket composed largely of incumbent town officials is running as the Citizens' Labor Party in one of the local elections scheduled for Tuesday, April 3.

Opposing the eight are eight who were nominated at a Democratic Party caucus.

On the basis of their past service to township residents, a strong case can be made for re-election of Supervisor Arthur W. Moore and Collector Frank Reider.

Other incumbents are Clerk of the Board Charles Lexow, Mrs. Patricia Polley, town clerk, and Auditors Marion Sparks, James Greer, and Melus Bedwell. Democrat Don Boyle also could be a capable town clerk.

Morris W. Miles, a Democratic nominee for town auditor, has extensive business experience which could prove

useful on the Chouteau board.

In Venice Township, there is no opposition for a list of candidates which includes four incumbents—Clerk of the Board, Auditor, Treasurer, and Town Clerk.

Christ Pashoff is a candidate to succeed retiring Venice Town Supervisor Arthur W. Moore and Collector Frank Reider.

Other incumbents are Clerk of the Board Charles Lexow, Mrs. Patricia Polley, town clerk, and Auditors Marion Sparks, James Greer, and Melus Bedwell. Democrat Don Boyle also could be a capable town clerk.

'Wishes of Local Citizens' to Be Respected by State

(Illinois Junior College Board) Criteria for establishing new junior college districts and annexations to existing districts by territory currently not in a junior college district have been altered extensively by the Illinois Junior College Board (IJC).

In early 1972, the IJC appointed a special task force of six citizens to review the criteria and identify criteria for new junior college districts and annexations. This task force completed its work in May and presented the report to the Illinois Junior College Board.

On July 21, 1972, the IJC adopted the report of the task force and the Illinois Junior College Board staff, Illinois Community College Trustees and the Illinois Council of Public Community College Presidents.

The criteria for new districts and annexations are to serve as guidelines for the IJC as it reviews any petitions for such actions in the future.

In 1965, the Illinois General Assembly passed the Illinois Public Junior College Act.

It established a "state system of Class I public junior colleges." More than three dozen such colleges now have been established and one state community college has been created to serve East St.

It is estimated that over 90% of the population of the state resides in these districts, which comprise over 70% of the land area of Illinois.

Even though the state provides full support at East St. Louis, all of the colleges have resulted from local citizens, with the leadership of the IJC and its staff.

The growth of the public junior college system has resulted in expanded educational opportunities for thousands of citizens. Junior college enrollments tripling in the past six years, topped 187,000.

They constitute more than a third of all enrollments in

higher education, public or private, in Illinois.

In 1971, the public junior colleges enrolled 62% of all freshmen students and almost 40% of all sophomores.

Citizens living in portions of the state not now included in a junior college district are considered by the IJC as being a degree of deprivation.

However, almost 10,000 persons attend public junior colleges in Illinois. Many of them are "charge-back" taxpayers under the "charge-back" provisions of the law-contributing a portion of the educational expense of the receiving district.

These out-of-district students are said to be subject to various conditions of admission and the annual "cut-off" date (Sept. 1) and thus may be forced to pay personally the charge-back cost.

Even if admitted, they may not be permitted to enroll in the program or courses which they desire because the law provides that the college may grant priority to in-district students.

Such persons are subject to the expense of living away from home and/or excessive commuting costs. In addition, some find it impossible to be employed, either full or part-time, while commuting to a distant college.

As a result, the non-district areas do not provide as full an opportunity for higher education as do the districts of higher education offered in junior colleges as do the more fortunate residents of junior college districts.

To achieve full equality of educational opportunity, it is deemed necessary for all the areas to be included in a public junior college district.

Recognizing the existing inequality of educational opportunity, the General Assembly has provided that all territory in the state shall be in a public junior college district no later than July 1, 1974. This date is not now included may either (a) establish a new district, or (b) annex to an existing district.

It is the responsibility of the

IJC to guide the steps taken to bring all territory of the state into a junior college district.

Action taken by citizens of the state to bring about this change, in cooperation with the IJC, are to be based on the following principles:

A. The paramount consideration is the educational welfare of the citizens of the area. While tax costs are a proper concern, the IJC is not to be guided by providing tax considerations to have precedence over valid educational needs, the IJC should be guided by the following:

B. Just as the wishes of local citizens have determined thus far the organizational pattern of districts and have yielded remarkable expansion of educational opportunity, so too, the wishes of citizens ought to be respected in the creation of new districts and/or annexations. This principle, however, does not imply support for refusal of local citizens to provide proper educational opportunities.

C. As far as possible, a comprehensive junior/community college should encompass a student body and faculty which reflect the various social, economic and ethnic groups making up our society. There should be no artificial barrier to the creation of homogeneous enclaves.

D. Where clearly appropriate, educational districts in need of strengthening should be aided by the annexation of additional population and territory.

E. The IJC is obligated to provide extensive communication with interested citizens in non-district areas and to provide them with leadership in helping them reach desired goals. The cooperation of districts adjacent to non-district areas is expected and encouraged.

F. Careful attention should be given to the possibilities of re-organizing existing districts, existing colleges and any newly established ones to minimize duplication of costly programs and to encourage constructive sharing of resources.

DYSTROPHY DRIVE AIDED

Granite City Jaycees thank the citizens of our community who supported us in our effort to aid Muscular Dystrophy Associations of America by purchasing honey.

If the other communities of Illinois support "Honey Sunday" as well as you did, the Jaycees are sure to have reached their goal of \$55,000 for the Muscular Dystrophy Association.

Granite City, Kroger Food Store, Reese Drug Store and Tri-City Grocery Store allowed us to set up selling stations at the entrances to their stores.

Jaycees Leonard Fowler, Glen Haldeman, Owen Ross, Fred Sadler, Jim Thrane, Bill Weible, Frank Woods and Jaycees Mary Thrane and Linda Sherry Cooper, deserve thanks for "braving the elements" to sell honey at the above stations.

IGNORING VOTER WISHES IN PONTON BEACH MANEUVERS

To the Editor:  
I am a resident of Ponton Beach and would like to express my views on the coming village election April 7.

First, I would like to express my dissatisfaction with the present members of the village board. It has shown me very little about better government.

As elected officials, they have forgotten the people who put them in office. I am talking about the common voters, not the political machine.

running for mayor or head of a local nursery?

I am proud to say that I am from Granite City and I enjoy living in the city. In order to follow what is happening at home.

In reality, the mayor is saying to the citizens, "We are the people who make up a greater percentage of the city's population, are lazy—that we work from 9 to 5 or 50% of an eight-hour shift."

At that rate, do we take a one-hour coffee break in the morning, a one-hour lunch break and one-hour coffee break in the afternoon, plus a one-hour shift break? This would amount to 50% of an eight-hour shift.

Stop and think about it. Do we have this kind of working conditions? It is evident that someone needs to think.

Is this a pass-back proposal to put the blame on the working people of the unions and the people of Granite City? Is this a pass-back proposal to put the blame on the people of Granite City?

What happened to the communications system? Was not the mayor not far in advance of the union people who live in Granite City?

Seeing as how the proper state have not been taken into motion the machinery necessary to start our treatment plan, we are left with a problem.

Now, we all realize that it is easy to be a Monday morning quarterback, and that is exactly what Paul Schuler called a debate. Schuler isn't a Monday morning quarterback, nor is he a near-sighted man.

Let's all get behind the mayor and let him do the job. Let's all get behind the mayor and let him do the job.

Let's all get behind the mayor and let him do the job. Let's all get behind the mayor and let him do the job.

The union has also won a generous sick leave policy of 10 to 15 days per year, which is abused by some teachers and recent graduates of a good education.

Reform in the district is badly needed and citizens should start speaking out to see that tax dollars are spent to improve education and not to raise the standards of living for a select clique.

CONCERNED GC MAN  
To the Editor:  
In the paper March 8, the Trades Council endorsed Schuler over Partney. First, I would like to congratulate the Trades Council.

We are not voting for a union job. We are voting for the top of Granite City. No baseball team or football team, etc., wins without a good manager.

So, April 3 we are voting for someone to manage our city. I believe the Trades Council has this in mind when they made their selection.

When the worst record of a team is sub-par, a management change is made.

There is much more at stake in Granite City than the price of a ticket or the low feeling when the home team loses.

## Vicki Mercer Becomes Mrs. Ronald Simpson

Branched candelabra holding lighted tapers and urns filled with arrangements of white mums and greenery decorated the altar, and hurricane lamps enhanced with vines and white satin bows illuminated the white carpeted aisle at the First Assembly of God Church for the March 17 wedding of Miss Vicki Lynn Mercer and Ronald Dean Simpson.

Miss Yvonne Albrecht, soloist, sang "Never My Love," "Wedding Song," "Follow Me," and "The Lord's Prayer," accompanied by Larry Smalle and Jon Grindstaff on guitars. Mrs. Sylvia Spengler presided at the organ, playing the processional and recessional.

Officiating at the double ring ceremony were the Rev. M. A. Goff and the Rev. Randol Mercer, the latter an uncle of the bride.

Parents of the couple are Mr. and Mrs. Watson Mercer, 3317 Wabash Ave., and Mr. and Mrs. Cecil Simpson of Springfield, Mo., formerly of Granite City.

Mr. Mercer escorted his daughter down the aisle and gave her in marriage. She chose a floor-length gown of white organza over taffeta. The bride featured an Empire waistline accentuated with a deep yoke of Venice lace extending to a drop shoulder.

Matching lace formed a stand-up collar and cuffed the long full bishop sleeves. A very full gathered A-line skirt flowed gently into a chapel-length train.

She wore a camelot headpiece fashioned of Venice lace to secure a triple-tiered waist-length veil accented with white daisies.

She carried a nosegay of white daisies, white butterfly roses, baby breath and stephanotis. Attending the bride were Miss Dawn Mercer, Miss Labon Gossnell, Miss Shari Gossnell, all cousins of the bride, Miss Jan James and Miss Barbara Knapp.

They created a rainbow appearance in their gowns made in orange, candy pink, lavender, green and gold georgette. The dresses were designed with small vertical rows of white Cluny lace and tucks forming a V yoke on the front and back bodices.

Cluny lace formed the stand-up collars and cuffs of the long puffed sleeves of chiffon and a satin ribbon belt marked the high-rise waistslines of the slightly gathered skirts.

Each girl held a nosegay of tinted daisies, baby breath and greenery in colors to match her frock.

The flower girls, Suzy Adams and Kelly Krust, the bride's cousins, were dressed in white gowns styled exactly as the adult attendants' dresses. They carried baskets filled with flowers matching the bridal bouquet.

Bradley Mercer, another cousin of the bride, served as ringbearer.

The groom chose his brother, Gary Simpson, as best man. Dwight White, Dave Williams, Frank Bechtel and Carl Mercer Jr., a brother of the bride, were groomsmen.

Seating the guests were Mike Mercer, another brother of the bride, Mike Rapoff and Alan and Jimmie Green, cousins of the groom.

Immediately following the service, a reception was given in the church Fellowship Hall. A rehearsal dinner was served at the Koinonia Center, 24th Street and Madison Ave., on the evening preceding the wedding.

After a wedding trip to Florida the newly married couple will reside in Granite City. The former Miss Mercer is employed in St. Louis with the U. S. Department of Justice. Her husband is attending Southern Illinois University at Edwardsville.

MR. AND MRS. RONALD D. SIMPSON, who were married at the First Assembly of God Church in an evening ceremony. The bride is the former Miss Vicki Mercer, a daughter of Mr. and Mrs. Watson Mercer, 3317 Wabash Ave.

## GC Policeman Explains Personal Protection Expertise for Women

Pitkinman Roy Kiberna of the Granite City Police Department gave a talk and showed a movie, entitled "Lady Beware," at a meeting of the Nameoki Woman's Club held last week at the Nameoki Recreation Center.

The officer explained ways a woman can protect herself while walking on the street, driving a car or at home.

Mrs. Donna Schaefer, president, conducted the meeting and announced the spring conference of the Madison County Federation of Woman's Clubs will be held April 11 at St. Peter Evangelical United Church of Christ.

A registration fee of 25 cents will be charged and luncheon will cost \$2.75. Reservations are to be made with Mrs. Wilford Cooley, 2715 Center St., before April 2. A bake and cake sale will be held prior to the luncheon, she said.

Another event in which the local club will take part is the Illinois Federation of Woman's Clubs' "Pattern Pageantry" district style show, set April 17 at the Emmanuel United Church of Christ in East St. Louis. Luncheon will be served at 11:30 a.m. at a cost of \$2.25 for adults and \$1.75 for children.

## Ruth Class Views Slides of Orient

Mrs. Esther Reutzel gave a devotional lesson using slides of the Orient to illustrate her talk at a meeting last week of Ruth Class of Third Baptist Church.

The group met in the home of Mrs. Thelma Peterson, 3232 Princeton Drive, who gave the opening prayer.

Reports were given on members who are ill and cards sent by the group. Plans also were made to send Easter cards and a donation to a foster home of class members, who resides at the Carmi Children's Home.

After the business session the Mission Society and arranged to send lap robes and house slippers to a local nursing home, continuing the same project next month.

Mrs. Mildred Nash closed with prayer and games were played with prizes going to Mrs. Margaret Wilmzig and Mrs. Delma Elmore.

Others present were Mesdames Iva Cranklin, Helen Caudle, Viola Wallace, John McLean, Zowandafay Smolich, Julia C. R. Mack and Helen Green.

## Follies Benefit Saturday Night

Tickets still are available for the Granite City Junior Service Club's follies show, entitled "Love Makes the World Go Around," to be presented Saturday evening at the Nameoki Grade School, it was announced today by the co-chairmen, Mrs. Charlene Pohlman and Mrs. Colleen Skeels.

Priced at \$2 for adults, \$1 for children under 12 years and \$1 for senior citizens the tickets may be purchased from any club member, or at Marilyn's House of Fashions, the club officers said.

Mrs. Marge Pennell is directing the revue described as "a family oriented charity benefit," intended to raise money for the club's eye-glass fund through which needy school children are given eye examinations and furnished with eye-glasses.

## Club Reviews 'Vein of Iron'

Mrs. A. E. Krumsiek, 2315 State St., entertained the Bay View Reading Club Thursday in her home, serving a dessert luncheon at noon. A business session followed.

Miss Lily Dod presided at the meeting and gave a report on a meeting of the Madison County Reading Club Board members held in Belleville.

A review of Ellen Glasgow's book "Vein of Iron" was presented by Miss Beatrice Cooley.

## Crabapple Tree Sale This Week

The Women's Division of the Tri-Cities Chamber of Commerce will sponsor the third annual Flowering Crabapple tree sale on Friday from 5:30 to 7 p.m., and Saturday from 9:30 a.m. to 5 p.m., according to Mrs. Jo Meyer, chairman of the group's beautification committee.

The sale of 150 trees, at a cost \$2.50 each, will be held in the parking area near Tri-City Grocery Store in Belleville Village Shopping Center.

Mrs. Meyer said the ornamental trees offer a wide range of shapes, sizes and choice of color and interesting fruit.

The Flowering Crabapple blooms from early April through mid-May and thrives well if planted in a drained sunny site, the chairman said. If reasonably fertile soil, well supplied with organic matter, is present, little fertilizer is necessary to produce a healthy tree, she added.

## FAREWELL PARTY FETES MRS. KATHY WINKLE

Mrs. Kathy Winkle was given a farewell dinner party last week by her mother, Mrs. Mathews Blattner, at her home, 2116 Harrison St.

Mrs. Winkle arrived here in January from Guam for a visit with relatives and friends and left Thursday for Bremerton, Wash., to join her husband who is stationed there with the U.S. Navy.

Guests attending were Mrs. Mary G. Ellis, Mr. and Mrs. Frank Winkle, Mr. and Mrs. Cecil Corey, Mr. and Mrs. Leroy Hackett and daughters, Melissa and Monica, Dan Winkle and Martin Martinko.

**Three Held Under \$50,000 Bonds in Venice Shooting**

Two St. Louis men and one from East St. Louis are held in the Madison County jail at Edwardsville under \$50,000 bonds each as the result of a shooting in Venice Thursday afternoon. Venice police identified the three men, all of whom are charged with attempted murder and conspiracy to murder, as William Trice Jr., 24, and Jeffrey Lee Gonilla, 25, both of St. Louis, and Robert "Eddie" Lewis, 26, of East St. Louis. The trio was arrested Thursday afternoon a short time after Venice police found a 23-year-old St. Louis man in serious condition from the two gunshot wounds.

The victim, identified as Prentiss S. Williams, was found by Venice Officer Joseph Meenan after police received a telephone call at 12:50 p.m. informing them that a man had been hurt and could be found in the 500 block of Slough Road. Williams, police said, was able to give Meenan a description of the car from which he had fled in Venice and his three assailants. Meenan broadcast the descriptions. A short time later, Sgt. William Papa of the Madison Police Department, while patrolling in the 1600 block of Second Street, saw a car fitting the description making a right turn onto McCambridge Avenue. Papa started in pursuit and radioed for assistance. In a high-speed chase that followed, joined by cars of the Venice and Granite City Police Departments and the Madison County Sheriff's Department, the fleeing auto was overtaken on Route 203 about a quarter of a mile north of Bend Road. Assisting Papa in the arrest were Lt. Richard Krieschok of Madison, Officer Al Young of Granite City and Richard McIntosh of the sheriff's department. A search of the route over which the chase took place was made by Venice police who said they recovered a .32-caliber revolver and a 12-gauge, sawed-off shotgun. Williams, who was taken by ambulance to St. Elizabeth Hospital, was given emergency treatment and transferred to Jewish Hospital, St. Louis. Venice police said Williams told them he had been shot in East St. Louis, then taken to Slough Road where he was dumped from the car and shot again. Williams underwent open heart surgery at Jewish Hospital for removal of a bullet from a heart muscle. Williams was

**Fire Damages Home, Gasoline Found Inside**

A fire, which Venice Police Chief Ralph D. Brawley has termed "a definite case of arson" caused extensive damage to the home of Carlton Coleman over a garage at the rear of 645 Salveter Ave., Venice, at 4:30 a.m. today. Five one-gallon plastic containers of gasoline were found on the kitchen table. Gasoline reportedly had been poured in a closet in the middle of the house and set ablaze.

Charles Keene, who resides in the front house on the lot and who owns both buildings, reported he heard what he thought were gunshots from the home minutes before the fire was noticed.

**ARRESTED ON WARRANT**  
Diametrius Compton, 17, of 1222 College St., Venice, was arrested at Circle Drive in Lee Wright Homes, Venice, at 11 a.m. yesterday on a warrant burglary. The charge stems from an attempt to enter O'Dell's Iron & Metal Co., 100 State St., Venice, March 19.

**Four Hurt in I-270 Accident**

Four persons were treated at St. Elizabeth Hospital following a traffic accident on westbound Interstate 270, one-half mile west of Illinois 203, at 1:10 p.m. Saturday. Karen Bailey, 20, Champaign, Ill., driver of one of the cars, suffered multiple cuts and abrasions to the face, forehead and forearms, cut left knee, and injuries to the right ankle and left thigh. She was transferred to Wood River Township Hospital. Phyllis Tolle, Edwardsville, a passenger in the Bailey car was transferred to Firmin Desloge Hospital after being treated for multiple cuts to the head and right hand. Chester Haymore 31, driver of the other car, was treated for cuts to the right knee, and multiple abrasions to the face and upper left arm. He was admitted to St. Elizabeth Hospital.

Willie Tanner, 22, East St. Louis, a passenger in the Haymore auto had multiple lacerations to the left side of his head and abrasions to the left shoulder. Elbert Jarrett, 22, East St. Louis, also a passenger in the Haymore car was treated for cuts to the lower left lip and left cheek and suffered an injury to the left knee. He was treated, x-rayed and released. According to state police, Haymore was passing a semi-trailer truck which changed lanes, forcing him off the road across the path of the Bailey auto which struck an auto driven by Doyle F. Blake, St. Louis, after colliding with the Haymore vehicle. Blake was not injured.

## Welfare Group Aids 89 Persons

Protestant Welfare Association, Inc., discussed a total of 33 cases involving 89 persons that received aid during the past month, during a meeting last week at the Concordia Lutheran Church.

A total of \$271 was spent for food, medical and new shoes and clothing for needy families, in addition to 11 orders of clothing and shoes from the Welfare Store Room, valued at \$114.

Mrs. Marie Whittle, office secretary, reported that a family lost most of its belongings by fire also were assisted with a supply of clothing for their seven children and household articles and bedding at an approximate value of \$45.

The Rev. Arvin Twietmeyer, pastor of the host church, gave the opening devotion, and a Bryan Waggoner, vice-president, conducted the meeting.

Other reports were submitted by Mrs. Irma Taylor and Mrs. Minnie Dillard.

A discussion was held on the Protestant Welfare banquet planned for May 15 at St. John Lutheran Church. The next meeting will be at Central Free Methodist Church.

## Beauticians View Spring Fashions

Hair style demonstrations and a mini-fashion show of spring clothing styles were combined as the program at the Elite Hairdresser's Association meeting last week at Charlie's Restaurant.

Mrs. Betty Smith presented various hair styles using a hot iron and blow comb and Mrs. Brenda Cant introduced the new roller technique of setting hair for a "curly, curly" look. Both are members of the Elite Hair Fashion Committee.

Spring clothing fashions were provided by Lois' Fashion Hut on Namook Road.

Mrs. Margaret Scott, president, conducted a business meeting preceding the program and announced the Mississippi Valley Trade Show is being held this week in St. Louis. Mrs. Lena Bailey will be the guest artist at the affiliate's April meeting, she said.

The benediction was given by Mrs. Clara Harbig. Programs were prepared by

## Girl Scouts Entertain PTA Unit at Webster School

A large crowd enjoyed a Brownie and Girl Scout program during the March meeting of the Webster PTA last week in commemoration of Girl Scout anniversary. The welcome was given by the president, Eugene Gunderson, and officers were elected for 1973-74.

Taking part in a flag ceremony were Junior Troop 29, Brownie Troops 198 and 899 and a guest unit, Junior Troop 492 sponsored by the Disabled American Veterans. Georgia Scrump of Troop 29 read Red Skelton's version of the pledge of allegiance and led the scouts in the Brownie and scout promises.

Gunderson led the unit in the Lord's prayer and reports were given by the secretary, Mrs. Lois Gunderson, and treasurer, Guy Cooper, who distributed levies on current expenditures.

Mrs. Barbara Schwartzman, chairman of the nominating committee, announced the slate of officers: Don Seitzer, president; Principal Clyde Lee, vice-president; Mrs. Marilyn Frih, secretary; and Treasurer Cooper.

Mrs. Kathy Scholebo and Mrs. Donna Jones will coordinate the annual school picnic May 10 at Wilson Park.

Mrs. Pat Eaton, school organizer, presented a sponsorship appreciation certificate to Gunderson on behalf of the four Girl Scout troops.

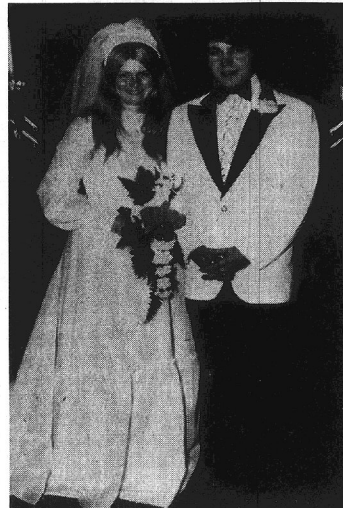

She introduced Mrs. Mary Lou Bowers, Troop 68, and Mrs. Marge McQuade, Troop 899, from Sacred Heart; Mrs. Skip Kidman, Troop 492; Mrs. Karen Machino and Miss Donna Spohn, Troop 899; Mrs. Sandy Walker and Mrs. Pam Brooks, Troop 198; Mrs. Mae Lee and Mrs. Betty Van Gilder, Troop 704; Mrs. Annette Scrump and Mrs. Marcia Buster,

Mrs. Thelma Prewett, associate matron of New Hope Chapter 432 and Mrs. Betty McClintock, associate matron of Granite Chapter 650.

Presiding at the tea table were Mrs. Rachel Larson, worthy matron of Granite Chapter 850 and Mrs. Sandy Simpson, New Hope worthy matron.

At the conclusion of the ceremonies William Kincaid presented a "jewel" to his wife, Mrs. Wanda Kincaid, the retiring worthy high priestess.

Entertainment following the installation was provided by the Shriners Oriental Band.

MR. AND MRS. BRUCE F. CAVINS, who were married in an evening ceremony at the Second Baptist Church. The bride is the former Miss Kim Marie Tompkins, a daughter of Mr. and Mrs. Jerry Gerkin, 10 1/2 Jones Park.

## Miss Kim M. Tompkins Bruce Cavins Are Wed

Miss Kim Marie Tompkins became the bride of Bruce F. Cavins in an evening ceremony March 9 at the Second Baptist Church, with the Rev. Eugene Dutton performing the double service.

Lighted tapers in branched candelabra illuminated the sanctuary for the 8 o'clock wedding and white satin bows marked the news.

The church organist played "The Lord's Prayer," "We've Only Just Begun" and "Close To You," preceding the arrival of the wedding party.

The bride is a daughter of Mr. and Mrs. Jerry Gerkin, 10 1/2 Jones Park. The groom's parents, Mr. and Mrs. Fred Cavins, reside at 3041 Iowa St.

For her wedding, the former Miss Tompkins chose a long gown of white silk organza designed in an "old fashioned" style. She wore a shoulder-length veil of tulle and held a bouquet of white carnations centered with a purple orchid.

Maid of honor, Miss Susan Cavins, a sister of the groom, wore a Kelly green and white tulle. Her bouquet was an arrangement of white carnations and daisies.

The groom chose Marlen Evans to serve as best man. Mr. and Mrs. Cavins, parents of the groom, were hosts at a reception given in their home immediately following the ceremony.

After a wedding trip to the Lake of the Ozarks, Mo., the newly married couple will reside in Granite City.

The former Miss Tompkins is a graduate of Granite City High School. Her husband graduated from the same school and from Rankin Technical School in St. Louis. He is employed in the warehouse department of Famous-Barr Co.

## Maundy Thursday Lunch Planned

Providing assistance at the Maundy Thursday businessmen's luncheon at First United Presbyterian Church was among the items discussed by members of Sarah Circle at a meeting last week in the church parlors.

The annual luncheon program will take place April 19, Mrs. Virginia Rickert, chairman, reported to the group. Members agreed to help serve the meal and also voted a contribution to the Nearly New Clothing Center, a project of Quad City Church Women United.

Mrs. Mildred Kerch gave the lesson, taken from Dr. William Bartley's book "Daily Celebration." The "Yearbook of Prayer" was read by Mrs. Kathryn Smith and Mrs. Anna Mae Wet-

# Chouteau Township's Supervisor, Opponent

WALTER SPARKS

Walter C. Sparks, 61, of 613 English Place, Mitchell, is a candidate for re-election as Chouteau Township supervisor on the Citizens' Labor Party ticket.

Born in Poag, he has been a local resident since 1947. He attended Poag Grade School and Edwardsville High School.

He is owner and operator of the D & J Mobil Service Station in Granite City. He formerly was a journeyman pipefitter welder, journeyman sheetmetal worker, United Auto Worker, airplane manufacturer welder and railroad laborer.

Sparks is a member of the Mitchell Presbyterian Church, Edwardsville Masonic Lodge 99, Mississippi Valley Consistory, White Shrine of Jerusalem 78 and Illinois Civil Defense. He formerly served as town clerk for nine years and on the former Mitchell School Board four years and the Poag School Board four years.

He and his wife, Laverna, have a son, James, and a daughter, Katherine.

His comments: "Service on the Town Board for 15 years I believe gives me the much-needed experience to guide our government through the next four years while trying to get our sewer project completed and to spend the revenue sharing money we will get in the most useful and satisfactory manner for the people."

"I will see that our town government operates in an unbiased, non-partisan political manner so as to serve all the people equally and fairly. I will operate our town business as efficiently as possible so as to keep from raising taxes unnecessarily."

"I will provide whatever action is needed to keep our sewer program moving ahead as swiftly as possible."

"Also, when actual construction is started, I will see to it that only qualified and reliable inspectors oversee the laying of each joint of pipe so that we get a dollar's worth of value for each dollar we spend. The quality of construction will determine to a large extent what our sewer bills will be."

"With the revenue sharing money we have received and what we will receive the next four years, I will support a building program to provide facilities which we could not afford before without a referendum to raise taxes."

"I will also support a motion to assist our fire department and other public programs where it is possible and feasible to do so."

"I will continue to operate"

# Candidates Outline Assessing Proposals

THOMAS JOHNSON

Thomas W. Johnson, 55, of 1209 Main St., Edwardsville, is a candidate for assessor of Chouteau Township on the Democratic Party ticket.

Born in Prentice, Ala., he has resided in this area 32 years. He is a graduate of the Pilot Knob, Mo., elementary school, attended Ironton, Mo., High School in 1931-32, and graduated from the U. S. 6th Infantry Barracks, Mo., in 1938.

He completed a 40-hour course in personnel management at Lackland Air Force Base, Tex., in 1949 and a summer course in cost accounting at Cornell University in 1952.

He was issued a certificate of high school graduation from the state of Missouri in 1957 and completed a 40-hour home and group study extension course in plant supervision.

Johnson is retired from the Air Force as a district precinct committee-man for Chouteau Township Precinct 7. He is a former member of the board of education of the Lackland Air Force Base Schools, Tex.

He was a partner in Carroll's Service Station in Wood River from December 1968 to Dec. 31, 1972, was part owner and equipment supervisor at Alcan Inc., Alton, from August 1966 to September 1969, and was a school bus driver for Roxana schools from August 1960 to July 1966.

Johnson at one time was office manager of Salpan Inc., a manufacturer of Liebherr Co. St. Louis, and served in the armed forces from November 1937 to May 1959.

He attends the First United Methodist Church at Wood River and is secretary of the Central County Democratic Club. He is a member of the Masonic order at St. Anthony, Tex., the National Association for Uniformed Services and the American Legion and is a former member of the Teamsters and Bolleymakers unions.

His comments: "I have been fortunate in being afforded the opportunity to serve the people of Chouteau Precinct 7 as Democratic committee man. When elected as assessor, I will be able to work with people from all seven precincts and give them the fair tax assessments they desire and deserve."

"I propose to establish regular office hours whereby property owners can come to my open door and freely discuss tax situation and talk about any potential problems arising therefrom."

"I will make the office a full-time job and devote all of my

OTIS REEVES

Otis R. Reeves, 75, of 807 Missouri Ave., South Roxana, is a candidate for re-election as assessor of Chouteau Township, a post he has held for 16 years, on the Citizens' Labor Party ticket.

Born in Bond County, he has been a resident 49 years and attended school in Pleasant Mount, Ill. He is retired from Shell Oil Co., where he was employed 33 years.

He is a trustee and street commissioner of the Village of South Roxana, a member of the South Roxana Dads' Club and trustee and secretary for 18 years of the South Roxana Fire Protection District. He and his wife have three married children.

His comments: "I enjoy the work. I like to meet the taxpayers and discuss their problems. I am retired from Shell Oil and can give my full time to the job."

"I am running on my past record. I intend to hold assessments as low as possible and still high enough to prevent the village of Roxana and the Department of Revenue in Springfield from giving the township a multiplier."

"I intend to see that all senior taxpayers receive and file their application for the \$1,500 homestead exemption, as I have done the past year, and to keep all records on file in my office for the public information."

"I will hold the assessor's office expenses down to a minimum."

"As there is no personal property assessment except for corporations, there will be no more disputes. I will do all the work myself except for a part-time office worker."

time, energy and skill in assessing taxes."

"I will try to alleviate the dissension among Chouteau taxpayers caused by current inequities in assessments by making sure that assessments are made on a fair basis in the future."

He is married to the former Frances Hill, whose family has lived in South Roxana for the past 50 years. They have two grown children—a son, Michael, who resides with his wife, Vicki, in South Roxana and is a teacher at Coolidge Junior High School, and a daughter, Mrs. Tommy Lee Boner, who has two children, Deanna and Michael, and lives in South Roxana.

# Voters Group Supports Equal Rights Amendment

The 3,000-member Independent Voters of Illinois (IVI) last week reaffirmed its support of the Equal Rights Amendment, the proposed 27th Amendment to the U. S. Constitution now before the Illinois General Assembly for ratification, and urges citizens to contact their legislators and voice their support.

"Our members at this time have placed passage of the ERA as the most pressing on our list of legislative priorities, and we cannot expect that its passage," according to Jewel Klein, a lawyer who, with State Rep. Susan Catania (R., Chicago), co-chairs IVI's women's rights committee.

"Our registered lobbyist, IVI executive director for political action, Sherwin Swartz, is contacting legislators in Springfield and our members are contacting their members individually," Ms. Klein said. "We are calling on all supporters to contact their legislators. The IVI staff is ready to answer questions for those who need assistance. (Phone number: 263-4274)."

"IVI is a member of ERA Central, the information clearinghouse working for passage of the ERA in Illinois, and IVI participated in the ERA Central branch for legislators held in Springfield on March 14," she said.

The ERA was passed overwhelmingly by the U. S. Con-

# 8 Seek 4 Chouteau Town Auditor Positions

MARION SPARKS

Marion A. Sparks, 56, of 548 Chouteau Ave., Mitchell, is a candidate for re-election as auditor of Chouteau Township on the Citizens' Labor Party ticket. He has held the post 13 years.

Born in Poag, he has been a resident of this area 51 years. He attended Mitchell Grade School, Granite City High School and a welding school and took correspondence courses in business management.

He is owner and operator of Sparks' Conoco Service Station in Granite City and previously was employed as a welder, sheetmetal worker, fire truck builder and steamfitter.

Sparks is a member of the Mitchell Presbyterian Church and is president of the Mitchell Fire Protection District. He is a past 19-year member of the Mitchell Volunteer Fire Department.

He served as president of the Mitchell PTA for two years; served 23 years with Boy Scout Troop 41, including three years as scoutmaster; and helped organize the Mitchell Park and Athletic Association, serving as trustee and program chairman.

He is married and has four children and a stepdaughter.

His comments: "With our growing population in Chouteau Township, experience and efficiency are of utmost importance."

"Having served 13 years on the board, I feel I am qualified to serve the people of the township with great concern. Having taken part in all organizations and activities of the community, I feel I know the wants and needs of the township."

MORRIS MILES

Morris W. Miles, 37, of 118 Kinder Lane, Mitchell, is a candidate for auditor of Chouteau Township on the Democratic Party ticket.

Born in Stewart County, Tenn., he has resided in the local area 10 years. He is a 1963 graduate of Stewart County High School, has an industrial management certificate from Southern Illinois University and a bachelor of marketing degree from P.C.M.I., with numerous courses in management and advertising.

He has been employed as marketing manager for Pepsi-Cola Bottling Co. at Alton since 1963 and formerly was employed by Massey Dairy from 1953 to 1961 and Royal Crown Cola Co. from 1961 to 1963.

Miles attends the Tri-City Church Assembly of God. He is a veteran of the Army and is a member of the American Legion in South Roxana, the Mitchell Athletic Club, Mitchell Volunteer Fire Department, Tri-City Chamber of Commerce and the St. Louis Manufacturers' Representatives.

He is a Democratic committeeman from Chouteau Precinct No. 5 and has never held public office. He and his wife, Joann, have two children, Jennifer, 13, and Wayne, 11.

His comments: "I feel that an auditor's responsibility to the people of his township; their opinions and stands on issues of township and arewide improvement should be an auditor's first concern."

"He should be available to answer questions to the constituents. If elected to the Board of Auditors, I promise to fulfill these responsibilities to the best of my ability."

# City Sued for \$25,000 Over Fall in Manhole

A suit for \$25,000 has been filed against the City of Granite City for Arthur Collins in Madison County Circuit Court at Edwardsville.

The complaint alleges that on Dec. 21, 1972, Collins was walking on a sidewalk at W. 20th Street and Dewey Avenue and stepped on a manhole cover which gave way, causing him to fall into the manhole and suffer injuries. Negligence was charged.

HOUSE RANSACKED

The home of Austin Morgan, 2418 Waterman Ave., was ransacked in a burglary reported last week. Entry was gained by breaking a basement window. Nothing was missing.

CLETUS BEDWELL

Cletus L. Bedwell, 43, of 800 Muskrat St., South Roxana, is a candidate of Chouteau Township for 12 years, is seeking re-election on the Citizens' Labor Party ticket.

He was born in Thebes and has resided in this area 20 years. He is president of a United Steelworkers of America local at Laclede Steel Co., where he has been employed 25 years.

Bedwell is a graduate of Thebes High School and of a state university. He has taken several extension courses at Southern Illinois University at Edwardsville.

He holds membership in the Masonic Lodge of Wood River. He also is a charter member and is a past president, past captain and past assistant chief of the South Roxana Fire Department.

He and his wife, Frances, have three children. He is a member of the Assembly of God Church in South Roxana.

DUDLEY LUEBBERT

Dudley T. Luebbert, 37, of 111 W. Fourth St., Hartford, is a candidate of the Democratic Party for election as an auditor of Chouteau Township.

Luebbert is a lifelong resident of this area and is an operator of Luebbert Engineering Local 520. He presently is employed by G. Helmkamp Excavating & Trucking Co.

Luebbert completed eight years at St. Bernard Church in Wood River, the Wood River Knights of Columbus Council, Hartford Civic League, Wood River Moose Lodge 1349 and Wood River Local 338.

He and his wife, Marcella, have two sons, Terry and Mike. His comments: "I am seeking to be an auditor because I feel that I am qualified and have the office and staff my knowledge of township government will be an asset to the citizens of Chouteau Township."

Luebbert says, "I have served the people of Chouteau Township as precinct committeeman for four years. I am seeking the office of township auditor so that I can work more closely with all of the people of the township."

# Air Pollution Hearing Tuesday First of Four

The Granite City Air Pollution Control Board will conduct four public hearings, the first on Tuesday, to hear testimony from residents of areas involving three Granite City industrial firms which the board alleges have violated city and state air pollution control regulations.

Tuesday's hearing will be at 8 p.m. at the city office building, 201 Adams St., against Ferro Processing Division, International Mill Service. A third hearing on emissions into the atmosphere of fugitive particulate matter has been scheduled for Tuesday.

Other hearings are 8 p.m. Thursday on alleged open burning regulations violations by Lipsitt Steel Products, and April 3 on alleged fugitive dust emissions from the Basic Oxygen Furnace facility at Granite City Steel Co. and April 5 on alleged violations of rules and regulations during Coke Oven operations at Granite City Steel Co.

# \$35,000 Suit Filed In Fatal Shooting

A dram shop suit for \$35,000 in two counts has been filed by Joseph C. Piner, individually and as administrator of the estate of Joseph C. Piner Jr., against the tavern and steps on a manhole cover which gave way, causing him to fall into the manhole and suffer injuries. Negligence was charged.

JAMES GREER

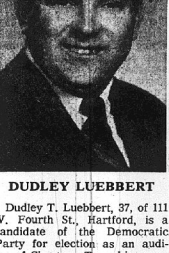

James E. Greer, 46, of 5504 Marvillie Road, is a candidate of the Citizens' Labor Party for re-election as auditor of Chouteau Township.

He is a lumber yard worker and formerly was employed in the powerhouse of the Castings Division of General Steel Industries.

A lifetime resident of the Mitchell area, Greer received 12 years of schooling here. He has served as an auditor six years.

Greer and his wife, Thelma, have three children, Jimmy, Robin and Jean.

He said, "I will do my best to serve the people of Chouteau Township and see that no tax money is wasted or needlessly spent."

JOHN COMPAGNO

John J. Compagno, 49, of 116 W. Fifth St., Hartford, is a Democratic candidate for auditor of Chouteau Township.

Born in Alton, he has resided in this area 26 years. He attended St. Mary's Grade School and Roosevelt High School.

He is a maintenance employee of the Village of Hartford and formerly was employed by the Illinois Division of Highways. "Compagno is a member of St. Bernard Church in Wood River, the Wood River Knights of Columbus Council, Hartford Civic League, Wood River Moose Lodge 1349 and Wood River Local 338."

He and his wife, Marcella, have two sons, Terry and Mike. His comments: "I am seeking to be an auditor because I feel that I am qualified and have the office and staff my knowledge of township government will be an asset to the citizens of Chouteau Township."

# Some Social Security Benefits to Increase

Workers who don't get any social security benefits before he's 65 and delays his retirement past that age will be eligible for higher payments when he retires, according to William H. Phalen, social security district manager in East St. Louis.

Benefits increase 1/2 of 1% for each month — or 1% for each year — after 1970 if the worker doesn't get social security benefits between ages 65 and 72 because of his earnings.

"This higher benefit can be paid to retired workers under a new provision of the social security law," Phalen said. "It doesn't affect social security payments to their families."

The new provision will mean additional benefits to some workers already getting social security payments, Phalen said.

"If a worker already on the rolls qualifies for a higher payment because of the change, he will get an automatic increase in June, and it will be retroactive to January 1973," he said.

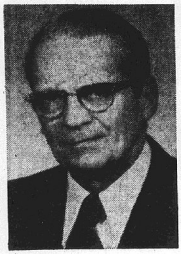

Over 5 million workers will get \$188 million in social security increases in 1974 under the new provision.

# Chouteau Collector Candidates

Town Clerk and April 3 Rival

CHARLES LEXOW

Charles E. Lexow, 57, Rural Route Two, Box 720, Mitchell, is a candidate for re-election as tax collector of Chouteau Township on the Citizens' Labor Party ticket.

A lifelong area resident, he attended Mitchell School, Granite City High School and the University of Illinois. He is employed in the Shell Oil Co. refinery laboratory and is a member of Local 525, International Union of Operating Engineers, and of the Township Officials of Illinois.

He and his wife, Marguerite, have two daughters, Suzanne and Nancy.

His comments: "I have a proven record of economy, efficiency and honesty as collector."

"Experience is a necessity, as Chouteau Township encompasses a large area consisting of more than 100 subdivisions in addition to farm land in the Mitchell, Hartford and South Roxana areas."

"The collector's office does business with all the utilities, savings and loan associations and banks that have property in the township."

"If re-elected, I will continue to serve the taxpayers for their convenience by collecting at designated locations in addition to my office."

PATRICIA POLLEY

Mrs. Patricia E. Polley, 39, of 825 Thorngate Drive, clerk of Chouteau Township, is seeking re-election on the ticket of the Citizens' Labor Party.

Mrs. Polley was born in Cotter, Ark., and has resided here 34 years. She formerly was executive secretary of Welek Fabrics and worked in the Progas office.

She attended Madison elementary school and graduated from Aurora High School in Missouri. She has taken advanced courses in bookkeeping and secretarial skills.

Mrs. Polley is a past president of the Mitchell PTA and of the Granite City Area Council of PTAs, and was named the outstanding PTA worker of the year, is a former president of the Thorngate Garden Club.

She has worked with various charity drives. Mrs. Polley also is a Sunday School teacher and former Cub Scout den mother.

"I intend to promote the interests of the community. Since I am not engaged in employment outside of my home, I will be available to devote the necessary time to this position."

Mrs. Polley and her husband, Robert, have three children, Michael, 19, Tracy, 16, and Billy, 12.

ROBERT HOCKING

**R. A. Hocking Honored At Retirement Dinner**

Robert A. Hocking, an agent of the John Hancock Insurance agency in Granite City for the past 30 years, was guest of honor at a retirement dinner at Charlie's Restaurant Thursday evening. The event was attended by 150 guests and co-workers.

"Local 145 of the Insurance Workers' International Union, AFL-CIO, of Madison and St. Clair Counties, sponsored the dinner and program. Hocking is a former president and executive board member of the union."

In addition to his union activities, Hocking has been active in civic and Masonic affairs. He is a former member of the Madison School Board, a past master of Granite City Masonic Lodge 877, an honorary member of Triple Lodge 835, a member of Granite City Lodge 804, and a member of the board of the Granite City Masonic Temple Association and the Low Twelve Club.

He and his wife, Ruby, live at 3716 Fair Oaks Drive.

**WORKSHOPS AND DINNER DISCUSSED BY LEADER**

A flag ceremony opened the March meeting of Neighborhood Three Girl Scout Leaders last week at St. John's United Church.

The chairman, Mrs. Doris Stotz, introduced Mrs. Alyce Curless, who transferred from Collinsville. The secretary, Mrs. Velma Collins, reported on district and neighborhood events. Mrs. Stotz suggested that each hostess bring a song, dance or game to share with other leaders.

Mrs. Marge McQuade, explained the March 29 annual international dinner to be held at 6:30 p.m. at the Nameoki Recreation Center. The leaders will dress in costumes from different countries and bring related items to the dinner.

A meeting to plan a Brownie day will be held in the Stotz home March 29 at 9:30 a.m.

The chairman announced workshops March 31 from 1:30 to 4 p.m. at St. John's Lutheran Church, a patrol workshop for leaders; April 7 at the council office, 1:30 to 4 p.m., patrol leaders and a court of honor; and April 4 a Junior Scout roundtable at the Collinsville Building and Loan, 9:30 a.m. to 2:30 p.m.

On April 3 at the home of Mrs. Jo Ann Artz, Cadet leaders will be instructed from 7 to 9 p.m.

A Brownie session will be at the Nameoki Recreation Center April 25 from 9:30 to 2:30. Mrs. Stotz noted that at all the day workshops, leaders are to bring sack lunches.

**Investigate Possible Suicide on Bridge**

Venice police are investigating reports that an unidentified woman or man jumped from McKinley Bridge at 9:10 p.m. yesterday.

At 9:10 p.m. Sunday a woman, about 30, driving onto a bridge reportedly told a toll collector that the auto he would find on the bridge belonged to a Venice man. The car she was driving was found abandoned a few minutes later on the bridge with its engine running.

A St. Louis man who was passing over the bridge reported seeing what he thought was a young man, about 19 or 20, with long hair, get out of the car and climb onto the bridge railing. Venice police found footprints and fingerprints on the bridge railing near the car.

**Bullet Hits Window At Midtown Pharmacy**

Police responded to a burglar alarm at 9:30 p.m. Saturday at Midtown Pharmacy, 2057 Johnson Road, which is owned by Paul Schuler, candidate for mayor in the April 3 city election.

Police said that a bullet had been fired through the lower right hand corner of the window on the east side of the building.

Officers said it apparently was fired from a .38 caliber pistol at close range.
